## PURPOSE OF THE PROGRAM MANUAL

The purpose of this Program Manual is to describe the program and delineate the role of the City, the applicant/borrower and the lenders. This document contains a description of the City of Chula Vista Neighborhood Stabilization First-Time Homebuyer (NS FTHB) Program requirements, processing procedures and program administration. Loan processing forms are contained in a separate document. The City may revise these guidelines from time to time, terminate and/or place the program on hold at the City's sole discretion.

The City encourages all eligible homebuyers to apply. Participating lenders are expected to be well informed about all the restrictions contained in this manual so that both applicants and sellers are aware of these restrictions before the application is accepted. The City is currently funding the First-Time Homebuyer Program using U.S. Department of Housing and Urban Development (HUD) Neighborhood Stabilization Program (NSP). Lenders are also expected to be informed of The Department of Housing and Urban Development's Technical Guide for Determining Income and Allowances for the HOME Program for calculating annual gross income. The Program Administrator/City will reject those applications where the information submitted indicates that the applicant does not qualify for the program.

## GENERAL DEFINITIONS

**AFFIDAVIT:** A deposition filed in connection with the program made under oath and subject to penalties of perjury.

**AFFORDABILITY PERIOD:** The use of Chula Vista First-Time Homebuyer Program require that the property remain affordable for a period no less than fifteen (15) years as recorded through the NSP Agreement and Deed of Trust, or at time of sale or transfer, as approved by the City of Chula Vista.

**APPRAISAL:** In compliance with URA at 49 CFR Part 24. All appraisals to determine property value must be made by a certified appraiser, as described in the guidelines and are to be paid for by the applicant/buyer.

**ARMS LENGTH TRANSACTION:** A transaction in which the buyers and sellers of a product act independently and have no relationship to each other. The concept of an arm's length transaction is to ensure that both parties in the deal are acting in their own self interest and are not subject to any pressure or duress from the other party.

**ASSETS:** Cash or a non-cash item that can be converted to cash. Assets exclude necessary personal property.

**CERTIFIED APPRAISER:** Under the requirements of the Neighborhood Stabilization Program all properties purchased must be appraised by a licensed appraiser meeting certain qualifications, as identified in Section II.B.

**COMMITMENT:** A document which is originated by the Program Administrator once a purchase contract has been approved and shall be valid for 60 days.

**ELIGIBLE BORROWER:** Any person meeting the criteria as set forth in this manual.

**ELIGIBLE DWELLING:** Real property located within the City of Chula Vista that has been *foreclosed* and is located within designated NSP Target Areas, as identified in Appendix D. The unit must be designed as a residence for one household and must meet property standards and criteria as set forth in this manual with no outstanding civil penalties against the property.

**EQUITY SHARE:** The equity share starts at 0%-100% between the Borrower and the City. The amount of the Borrower's share in the Equity of the Property shall increase by five percent (5%) per year, measured on the anniversary date of the Deed of Trust. Correspondingly, the City's share in the equity of the Property shall decrease by five percent (5%) per year. After year five (5) the Borrower's equity share is accelerated to 50%. In the event that no Equity exists at the time of transfer or sale, the City loan (NSP funds) will still be due and payable. In the event that a negative Equity situation exists, and the full amount of the City loan is not available to be recaptured, the amount of the loan required to be repaid to the City will be set forth in the NSP agreement between the Borrower and the City.

**FORECLOSED:** A property "has been foreclosed upon" at the point that, the title for the property has been transferred from the former homeowner under some type of foreclosure proceeding or transfer in lieu of foreclosure, in accordance with state and local law.

**LIQUID ASSETS:** The total amount of funds that are in the form of cash or can quickly be converted to cash. These include (1) cash; (2) demand deposits; (3) time and savings deposits; and (4) investments (i.e. most stocks, money market instruments and government bonds) capable of being quickly converted into cash without significant loss, either through their sale or through the scheduled return of principal at the end of a short time remaining to maturity.

**MAXIMUM PURCHASE DISCOUNT:** All eligible properties utilizing NSP funds must be purchased at the maximum purchase discount from the current market-appraised value of the home, based on likely carrying costs for the owner if the transaction did not occur. All discounts must be of at least 15%.

**MODERATE-INCOME:** A household with income not greater than 120% of the median income as established by the U.S. Department of Housing and Urban Development. Every 12-18 months, these figures are updated by the U.S. Department of Housing and Urban Development.

## SECTION I BORROWER ELIGIBILITY REQUIREMENTS

Both federal and state law sets borrower eligibility requirements. Income guidelines are modified based on federal directives every twelve to eighteen months. The City will notify the Lenders when those changes take place, including the effective date of each change.

In an attempt to assure that all requirements are clear, the First-Time Homebuyer Application and Affidavit are required to be signed by each Applicant and must be included in the Application Package submitted to the Program Administrator, *reference Appendix A*.

### A. ELIGIBLE BORROWERS

1. Qualified applicants must be first-time homebuyers. The Applicant may not have held an ownership interest in Residential Property within the past three years. This timeframe includes those 36 months previous to the date the mortgage is executed. In the case of a married couple, both parties must meet this requirement. The buyer, spouse and any other parties who will reside in the property must meet this requirement. The Lender must verify this through his/her examination of the Applicant's federal tax returns for the preceding three years, credit reports, and other relevant documentation. The Applicant(s) cannot have claimed a deduction for mortgage interest or taxes on real property.
2. To demonstrate compliance with this requirement, Applicants must complete and sign the First-time Homebuyer Application and Affidavit and provide copies of their last three (3) years signed federal tax returns (or acceptable alternative exhibits).

- a) The Applicant(s) can provide the signed 1040A, 1040EZ, or 1040 federal income tax forms for the preceding years, including all schedules. These forms shall be submitted to the Lender and forwarded to the City with the completed loan application. The tax returns must be signed and dated in ink by the Applicants.
  - b) If the Applicant(s) has/have filed the short form, 1040A or 1040EZ for the last three (3) years, completes and signs the required affidavits, but is unable to produce copies of the signed returns, the City will accept a completed copy of IRS Letter Form 1722 in lieu of actual returns. The Applicant may request this letter, free of charge, from the local IRS Office. The Letter 1722 must include the signature of a representative of the IRS. Letter Form 1722 should include the following information:
    - i. Name and social security number
    - ii. Type of return filed
    - iii. Marital status
    - iv. Tax shown on return
    - v. Adjusted gross income
    - vi. Taxable income
    - vii. Self-employment tax
    - viii. Number of exemptions
  - c) In the event the Applicant(s) was not obligated to file federal income tax returns for any of the preceding three (3) years, it will be necessary for the Lender to obtain a completed and signed Income Tax Affidavit from the Applicant, which is required in place of the above. This document is to be forwarded to the City with the application package.
  - d) If neither copies of the required tax returns or the 1722 Form can be obtained, the Lender may be able to help the Applicant establish first-time homebuyer status with copies of utility bills and a signed and notarized statement from the Applicants landlords for the previous three years.
  - e) When the Commitment is issued during the period between January 1 and February 15 and the Applicant has not yet filed his/her/their Federal Income Tax Return for the preceding year, the City may rely on an affidavit. The affidavit must affirm that the Applicant is not entitled to claim deductions for taxes or interest on a principal residence for the preceding year. After February 15, a tax return will be required.
3. Any Applicant with the marital status of "divorced" or "separated" must provide legal documentation that specifies:
- a) They no longer have ownership interest in any real property;
  - b) Will not be residing mutually; and
  - c) If claiming a child under the age of 18 as part of the household, legal custody of at least 50% and claim any related child support and/or income.
4. Upon close of escrow, the buyer must occupy the home as their Principal Residence.
5. Applicant(s) must be a U.S. citizen or eligible immigrants. Legal resident aliens are eligible to apply but must show proof of status.
6. Priority is given to current residents of the City of Chula Vista and households who are employed in businesses within the City of Chula Vista at the time of application.
7. City of Chula Vista employees (except for certain employees of the Redevelopment & Housing Department) are eligible to participate.
8. In accordance with Title 24, Section 570.611 of the Code of Federal Regulations and HOME 24 CFR Part 92.354, no member of the governing body and no official, employee or agent of the local government, nor any other person who exercises policy or decision-making responsibilities (including members of the loan committee and officers, employees, and agents of the loan committee and similar agencies) in connection with the planning and implementation of the NSP and CDBG Program shall directly or indirectly be eligible for the

First-Time Homebuyer Program. Exceptions to this policy can be made only after public disclosure and formal approval by the City council of the City of Chula Vista.

## B. INCOME CRITERIA

1. Income must be at or below 120% of the currently published San Diego County median income, adjusted for household size. Income limits have been established by the U.S. Department of Housing and Urban Development (HUD) and are adjusted annually. In accordance with this requirement, applicants may not obtain "stated income" loans. The true income must be a qualifying factor in loan approval.

Household Size	80% Annual Income	120% Annual Income
1 person	\$44,250	\$60,550
2 people	\$50,550	\$69,200
3 people	\$56,900	\$77,850
4 people	\$63,200	\$86,500
5 people	\$68,250	\$93,450
6 people	\$73,300	\$100,350
7 people	\$78,350	\$107,300
8 people	\$83,400	\$114,200

Effective February 13, 2008

2. Gross income is calculated by taking the Applicant's anticipated adjusted gross monthly income, at the time of application, and multiplying it by twelve. Adjusted gross income includes the gross amount of all taxable income, before payroll deductions of: wages, salaries, commissions, fees, tips and bonuses, alimony, public assistance, etc. The adjusted gross income also includes the income earned on assets, such as dividends earned on stock, winnings, and interest earned on savings and checking. The adjusted gross income qualification is pursuant to the 24 CFR 92.203(b)(3) for reporting under the IRS Form 1040 series for individual federal annual income tax purposes. Gross income includes the combined taxable adjusted gross income of all mortgagors and all other adult members of the household.
  - a) Self-Employed or Seasonal Employees: The formula that the Lender uses to determine the anticipated gross monthly income of self-employed and/or seasonal workers is acceptable provided that all income as described in this manual is included in the calculation.
  - b) Co-Borrower/Co-Mortgagor/Household: All household income must be included in determining eligibility for the program. The IRS regulation states "income to be taken into account in determining gross income is income of the mortgagor(s) and any other person who is expected to both live in the residence being financed and to be secondarily liable on the mortgage."
  - c) Spouses: Married couples are treated as co-applicants, whether: 1) they are separated; 2) either spouse is applying for the loan; or 3) either spouse plans to be named on title.
  - d) Computing Income
    - i. Program Computation vs. Mortgage Underwriter's Computation: The City loan figure represents ANTICIPATED income, while the Lender's figure represents income AVERAGED over the last few years and the City program requires that every source of taxable and non-taxable income be listed on the Income Computation Worksheet, however, non-taxable income should be bracketed and not added into the maximum annual family income calculation.

- ii. *Income Parameters:* See *Appendix B* of this manual for examples of sources of income, which must be considered in computing buyer income.
- iii. *Military Pay:* See *Appendix B* of this manual for Military Pay explanations.
- iv. *Self-Employed:* Year-to-date profit and loss statement and three prior year's tax returns are required.
- v. *Other Income:* Sources of income other than wages must be documented by third party verifications. In cases where the third party fails to respond, acceptable alternative sources of documentation can be determined on a case-by-case basis and should follow standard FNMA income verification guidelines.
- vi. *Documentation:* In cases where the Applicant is employed, acceptable sources of documentation used to verify income include a recent pay stub with year-to-date earnings and an employer Verification of Earnings statement (VOE). If the application is taking place during the first four months of the year, a year-to-date total may be insufficient. The Lender must supplement the pay stub information with the prior year W-2 statement and/or tax returns. On some pay stubs, the year-to-date earnings include pay from the last part of the prior year. If this is determined to be the case, request that the employer submit a signed statement of verification of exact year-to-date income. Miscalculation can result in the determination of excess income and disqualification of the buyer.
- vii. *Income Verification:* The Lender bears the burden of proving that the Buyer's income is within the program guidelines. The computation should be clear, complete, and documented by third party verifications, to the greatest extent possible.
- viii. *No Income:* Adult members, 18 years and older, of the household who have no income must complete and sign the Declaration of No Income form.
- ix. *Part or Full Time Students:* Adult members (18 and older) enrolled in a vocational, community college or university must provide evidence of current enrollment status and a copy of their Financial Aid Award letter. See *Appendix B* of this manual for student income explanations.
- x. *Dependants:* Any persons claimed on federal tax returns within the past three years and not identified as a member of the applying household must provide a Declaration of Household size and affidavit that those person(s) will not be residing as a member of the household.

#### **C. HOUSEHOLD ELIGIBILITY REQUIREMENTS**

- 1. Households shall have sufficient income and credit-worthiness to qualify for primary financing from a participating lender.
- 2. Households will be required to provide a down payment or cash investment. A minimum contribution of 3% of the total purchase price of the property will be required from the borrower's personal funds and must be used for down payment, closing costs, or cash reserves. The maximum amount of the contribution used towards cash reserves must equal the minimum reserves required by the Lender of the first mortgage. Cash gifts may be given towards down payment assistance in addition to the 3% owner contribution, but must be identified as part of the subsidy layering analysis, *reference Appendix C*.
- 3. Maximum liquid assets after NS FTHB assistance may not exceed \$25,000 (not including retirement accounts, i.e. IRA's, 401(k), etc).

#### **D. ELIGIBLE PROPERTIES**

- 1. Properties must be located within the City of Chula Vista limits within specified NSP Target Areas, as identified in *Appendix D*.

2. Properties must be foreclosed upon single-family homes, including detached homes, condominiums or townhouses. Manufactured/mobile home, duplexes, triplexes or fourplexes do not qualify as eligible properties.
3. Preference should be given to properties that are less than 50 years old. Any property greater than 50 years of age will require additional environmental review in compliance with 24 CFR Part 58 and the National Historic Preservation Act (16 U.S.C. 470 et. seq.), potentially causing delay in the escrow process.
4. Properties cannot have any outstanding civil penalties with the City of Chula Vista.
5. All properties purchased with NSP funds must be purchased at a maximum purchase discount of at least 15% below the appraised property value, as determined by a certified appraiser, reference Sections I.E and II.D.
6. All final purchase offers must be accompanied by a "Voluntary Acquisition" form issued by the City, as *sampled in Appendix E*.

**E. MAXIMUM PURCHASE PRICE**

The maximum purchase price cannot exceed 95 percent (95%) (\$559,550 effective 3/08) of the median purchase price for the area, as determined by HUD. Currently, the maximum appraised value for eligible properties is \$589,000.

All properties purchased using NSP funds must be purchased at a "maximum purchase discount". This discount must take into consideration the "likely" carrying costs for the owner to hold on to the property if the transaction was not to occur. Carrying costs should include, but are not limited to: taxes, insurance, maintenance, marketing, overhead, and interest. The discount must be a minimum of 15% of the appraised property value and calculated in compliance with the City's methodology, *see Appendix F*. The analysis must be submitted at time of "Request for Issuance of the Voluntary Acquisition" form and the certified appraisal.

**F. LOAN PROCEDURES AND TERMS**

1. The maximum loan amount shall not exceed \$40,000 for households at or below 120% AMI and \$70,000 for households at or below 80% AMI, and shall not exceed 40% of the purchase price, subject to the condition of the property, qualifying factors and staff assessment. Up to 2% of the purchase price may be funded by the City loan toward payment of closing costs. The City loan may be used toward up to 15% of the required down payment, reasonable closing costs, principal write-down assistance, an interest rate buy-down or any combination thereof, but serves as gap financing and must be determined through a subsidy layering analysis, *see Appendix C*.
2. The maximum CLTV (combined loan to value) of the City and the new 1<sup>st</sup> Trust Deed loans shall not exceed the maximum approved CLTV required by the 1<sup>st</sup> mortgage lender.
3. No non-occupant co-borrowers shall be allowed.
4. Total housing ratio (PITI) cannot exceed 36% of Applicant(s) gross monthly income. The City may make exceptions if less than twenty percent payment shock is involved.
5. Total debt-to-income ratio may not exceed 45% or 41% if obtaining an FHA loan.
6. No prepayment penalty allowed.
7. Maximum fees to the Applicant of 1.25% origination, discount points for below par pricing only, and \$350 processing are acceptable for the purchase transaction. No other Broker or Admin type fees allowed. Other third party fees that are reasonable and customary are allowable.
8. Any fees and/or commissions shall be customary and reasonable.
9. The terms of the City's second trust deed are designed to encourage long-term residency in the program-assisted home. No interest is charged on the loan (except in the case of

default). Instead, the program is based on an equity share. The amount of equity due to the City is based upon the number of years after the date of execution of the City's loan. The City's portion begins at 100% of the equity and decreases by 5% each year, with a decrease to 50% after the first five (5) years of occupancy. After 15 full years of owner occupancy, there is no equity share and only the principal remains due and payable. See *shared equity example in Appendix G*.

10. The loan shall become due and payable at the time of the property's transfer of title, refinance (except as earlier defined), rental or sale.
11. The loan shall also become due and payable when the acceleration clause has been triggered. The acceleration clause will be in effect when the property is no longer the principal place of residency of the eligible homebuyer, or upon discovery of willful misrepresentation or fraud in connection with the program. Rental of the property is prohibited and will cause the loan to be accelerated.
12. Default of the primary loan will trigger a default on the City's soft second loan.
13. Second and subsequent mortgages to the new First Trust Deed, except for this City Loan, are not permitted.
14. The loan is not assumable.
15. A Promissory Note and Deed of Trust will secure the loan.
16. The City Loan can be used with conventional, FHA, VA, and other loans issued by a qualified lender, except adjustable rate mortgages with less than five years fixed, negative amortization and stated income mortgages.
17. The Program Administrator shall underwrite the City's loan. The City of Chula Vista Redevelopment & Housing Department does not underwrite the loans, but shall review at their discretion for NS First-Time Homebuyer Program requirements. Lenders will process the underlying mortgages using standard procedures, with adjustments to those procedures to conform to the City loan guidelines.

## SECTION II PROGRAM ADMINISTRATION AND PROCEDURES

Eligible Applicants will apply for the City of Chula Vista's First-Time Homebuyer Program in conjunction with normal mortgage loan application procedures. The City loan application must be filed with an application for a mortgage to a Participating Lender.

The City loan processing procedures are designed to coincide with the standard mortgage loan processing and underwriting criteria that are in place at most mortgage lending institutions, although there are some City restrictions that must supercede normal processing and underwriting criteria. Recognizing that there are procedural variations among participating lenders, the steps outlined here are meant to serve as sequential guidelines, *reference Appendix H* for a summary of the process and summary sheet to be included in each packet. *Please note, however, that all elements of the processing sequence must be completed at some point.*

### A. LENDER ELIGIBILITY

Lender is defined as a financial institution, whether broker, retail, or wholesale, licensed to make first mortgage loans in the State of California. All Lenders who wish to participate in the City program must be enrolled as a participating lender. To enroll and maintain active status a lender must:

1. Attend a lender certification course by the City's Program Administrator.
2. Agree to adhere to Quality Commitment Policy. *Please refer to Appendix I.*

3. Designate a contact person for the program.
4. Pay a lender certification fee of \$50 (*as of 9/22/08*).
5. All lending personnel involved with the City program must attend City training sessions and study and apply procedures listed in the Lender Training Handbook.
6. Provide the First-time Homebuyer Program Manual and Lender Training Handbook to all loan processors.
7. Cooperate with City Housing staff in providing the best possible service to the Applicants.

The Lender will be required to submit certification that no material misstatements appear in the application and program documents. If the Lender becomes aware of such, whether negligently or willfully made, he/she must notify the City immediately. The Lender should also be aware and inform the Applicant of penalties provided by California law if a person makes a false statement or misrepresentation for the sole purpose of participating in this program. Housing staff will take all lawful actions to correct or mitigate the problem.

## **B. APPRAISER ELIGIBILITY AND REQUIREMENTS**

For purposes of the NS FTHB all appraisals for the City's determination of market value and establishing the purchase discount must be conducted by appraisers certified by the City's Program Administrator, meeting Uniform Relocation Act (URA) appraisal requirements of 49 CFR Part 24 and other program requirements, and shall be paid for by the buyer. Should a lender desire to use an appraiser not certified for NS FTHB participation, they must accept the City's appraisal in addition to their appraisal and/or provide the Program Administrator with the appraiser's qualifications in adherence with program requirements. Please note that choosing the latter may cause a delay in the escrow process.

Appraisals must adhere to and include the following requirements, *see Appendix J* for a checklist:

1. Appraisal:
  - a) Meet the definition of an appraisal found at 49 CFR 24.2(a)(3) to estimate the fair market value of the property, as of the specified date of valuation, for the proposed acquisition of the property rights specified (i.e., fee simple, etc.) for a Federally assisted project.
  - b) Must be conducted within 60 days prior to the final purchase offer made on the property.
  - c) Afford the property owner or the owner's designated representative the opportunity to accompany the appraiser on the inspection of the property.
  - d) Perform an inspection of the subject property, to include:
    - i. Description of the neighborhood;
    - ii. The extent of the subject property inspection, including interior and exterior areas; and
    - iii. The level of detail of the description of the physical characteristics of the property being appraised, as described below.
2. Property details, at a minimum:
  - a) An adequate description of the physical characteristics of the property being appraised (including adequate photographs, location maps, and a sketch of the property with the location and dimensions of any improvements), including items identified as personal property;

2. All applications received are subject to the availability of funds. The City has sole discretion to terminate or suspend the program at any time.
3. The City will maintain a cumulative total of loan amounts reserved. When program funds are about to be depleted, the Program Administrator will notify all participating Lenders.

\* Complete packages must include those items listed under Section II.D.

1. Once a property has been selected an initial purchase offer can be issued for an estimated discounted purchase price of at least 15% below estimated property value and contingent on a certified licensed third party appraisal and maximum purchase discount calculation, as *described in Appendix F*.
2. An appraisal to establish the property value as determined by a certified state licensed appraiser must be completed and provided to the City, along with the calculated "maximum purchase discount".
3. Prior to the presentation of the final purchase offer, adjusted based on the licensed appraisal, a voluntary acquisition notice shall be given to the owner of record. The City shall provide the acquisition notice directly to the owner of record ensuring that it complies with NSP Program requirements, *reference example "Voluntary Acquisition" notice in Appendix E*. All applicants shall submit a "Request for Issuance of the Voluntary Acquisition", *see Appendix E*. The acquisition notice must be placed on top of a purchase offer that is to be presented to the seller. The acquisition notice will include the following:
  - a. The participant has power of eminent domain, but will not acquire the property if negotiations fail to result in an amicable agreement ("Voluntary Acquisition");
  - b. An estimate of the property value of the property as determined by a state licensed appraiser and paid for by the Applicant, conducted within 60 days of said purchase offer and acquisition notice;
  - c. The offer to purchase is a minimum of 15% discount below the appraised property value;
  - d. Only after a participant has an accepted purchase contract shall the commitment letter be issued by the Program Administrator and an allocation of funds be reserved for the City second loan.

## G. PROPERTY INSPECTION

Prior to the close of escrow, the Lender must request that an Independent Certified Risk Assessor (or certified equivalent) conduct a property inspection and Risk Assessment. The written report of findings must be provided to the City's Program Administrator. The Program Administrator will review the Risk Assessment and ensure the subject property meets Housing Quality Standards (HQS) and HUD lead-based paint regulations\*. The Lender will be notified of work needed to cure defects, if any. The City loan may be funded upon the completion of the repairs and clearance from the Risk Assessor and the City Program Administrator. Properties must meet minimum health and safety standards upon occupancy, as inspected by the Program Administrator. *See Appendix K for detailed Housing Quality Standards (HQS) and Appendix L for the HQS Inspection Form.*

Up to \$24,999 in NSP funds can be used for rehabilitation of the property above the required "gap" financing but within the qualifying threshold. Applications for the Neighborhood Stabilization Rehabilitation Program must be submitted and approved prior to the close of escrow, with a 90 day escrow hold on those funds, in compliance with the Neighborhood Stabilization Rehabilitation Standards, *see Appendix M*. If the property cannot be brought into compliance with local building and health and safety standards, it shall be ineligible for purchase.

\*Effective September 15, 2000, all properties built prior to 1978 must meet new HUD regulations for notification, inspection, reduction/abatement and clearance of lead-based paint hazards under Title X of the Housing and Community Development Act of 1992. If subject property was constructed prior to 1978, the purchase will be subject to an inspection prior to the close of escrow to verify that the residence is in compliance with the current lead-based paint requirements of the NSP Program. The home will be inspected for defective paint surfaces by a qualified inspector, as necessary, to meet program requirements. If defective paint surfaces are found, seller must properly abate the painted surfaces or the home shall be ineligible for purchase. Seller and purchaser will be required to sign a disclosure form prior to the close of escrow.

If a determination is made by the Certified Risk Assessor (or equivalent per HUD protocol), that Lead-Based Paint Hazards are present on the subject property, the City shall notify Buyer, Lender and Escrow within 15 days of such determination and provide those parties with a copy of any and all Risk Assessment Report(s). *Reduction or abatement of all identified Lead-Based Paint Hazards must be corrected prior to close of escrow and prior to wire transfer of the City's funds.*

VA or FHA-insured First Mortgages: In cases where the buyer obtains said mortgage, the City may substitute the VA or FHA property inspection for the third party property inspection, however the Program Administrator must still conduct the HQS inspection as described previously. *The FHA inspection does not, however, satisfy HUD lead-based paint regulations unless no lead-based paint hazards are found and are fully noted on the FHA inspection report.*

## H. LOAN CLOSING

2. Lender and City forward loan documents to selected escrow officer with instruction for closing the loans. The buyer signs the City loan documents. The escrow officer forwards the copies of the executed Loan Documents back to the Program Administrator.
3. Before the expiration of the 60-day commitment and prior to recordation the Lender and Escrow send the Close of Escrow documents to the Program Administrator. These documents include:
  - a. Signed copy of City Deed of Trust and Homeowner's Regulatory Agreement for the NSP program participation *(Escrow sends original Deed of Trust and Agreement to*

  - c. Closing Affidavit signed by the Applicant(s) at the time of the loan closing.
  - d. All outstanding loan conditions listed on the Commitment letter and/or Instructions to Escrow.
  - e. City reviews Closing Package and checks the file to ensure all necessary documents have been submitted.
4. Any property qualifying for a
  5. City loan documents are only good during the month that they are drawn and any delays may require the preparation of all City final loan documents with a corrected date. There will be no funding into the month.
  6. Program Administrator will transfer funds by wire as instructed on the Funding Request and Escrow Information Sheet located in the forms section of this Manual. Any secondary wires that are issued due to errors on behalf of the Lender, Escrow or Title Company will require an additional \$35.00 re-wire fee and shall be paid by the party at fault.

Lenders must adhere to the time frame for the City and the Program Administrator processing period, promptly notifying the Program Administrator in writing of any loan cancellations and/or request for reservation or commitment extensions.

If the Lender assigns responsibility of execution of City loan forms to Escrow or Title Office personnel, the Lender assumes full responsibility for training the personnel to comply with the requirements of this Manual.

## **I. CANCELLATION AND COMMITMENT EXPIRATIONS**

1. Cancellations: When a decision is made not to continue with the City application, written notice must be received at the office of the Program Administrator prior to the expiration of the Commitment. The notice must include the reason for the cancellation and the signatures of both the Lender and the Applicant.
2. Expiration of Commitment: Before the Commitment has expired, the Lender must either:
  - a. Submit the closing package;
  - b. Submit written notice of loan cancellation; or
  - c. Request a 30 day extension in writing with explanation of extenuating circumstances.

Upon expiration of the Commitment, the Lender must do one of the following:

- a) If the loan has not closed, the Lender must submit a request for extension and provide estimate of closing date to the Program Administrator.
- b) If 60 days has passed since the Commitment was issued and no extension was requested, the Lender must submit an entirely new Loan Application with current income verification with a letter of explanation for the delay.
- c) If the loan was canceled, the Lender submits a cancellation notice as described above.

In all cases, expiration of the Commitment without the required action by the Lender will result in the Lender being placed on "Inactive Status", and the Lender may submit no new City applications until the issue has been resolved. Failure to comply may result in the Lender's removal from the Certified Lender Partner List and program.

### SECTION III CHANGES PRIOR TO CLOSING

Program Administrator issues a loan Commitment based on the Applicant's and Seller's Affidavits and the Lender's certification that the City's Program requirements have been met. The Lender must immediately notify the Program Administrator in writing of any change that could affect the Applicant(s) eligibility for the loan. If a change in the circumstances of the Applicant is such that he/she no longer meets program requirements, the Commitment is automatically revoked.

1. Income: The eligibility of the Applicant for a City loan is based on the Applicant's anticipated taxable income. Program Administrator will issue the Commitment based on the household income as of the date the Commitment is issued. The income verified for the Commitment is valid as long as the loan closes within four months after the financial information was originally submitted and there have been no changes which effect previously reported income. If the loan does not close within three months, all applicable City documentation must be submitted and income must be re-verified.
2. Marital Status: If the Applicant gets married after issuance of the Commitment and prior to closing, the spouse must satisfy the prior homeownership requirements contained in the First-Time Homebuyer Application and Affidavit and the Closing Affidavit. The Lender must also notify the Program Administrator program administrator. Any increase in the household income because of the new spouse must also be considered and may affect re-issuance of a new Commitment.
3. Acquisition Cost: If a change in acquisition cost occurs after the Commitment and prior to closing, the Lender will be required to originate and submit a new version of:
  - a. First-Time Homebuyer Loan Application and Affidavit
  - b. Amended Escrow Instructions
  - c. Seller Affidavit
  - d. Voluntary Acquisition Form
  - e. All other documentation that may be applicable as listed previously in this Manual
4. Loan Amount: Any changes to the loan amount which occur after the Commitment has been issued and prior to closing must be reported to the City immediately by phone, followed up with a written confirmation along with all applicable documentation listed in this Program Manual. Upon receipt of revised/updated documentation, a revised Commitment may be issued.

## APPENDIX B

### INCOME

#### GROSS ANNUAL INCOME

The Annual Income Definition found at HOME Investment Partnership Fund regulations 24 CFR Part 5 is used to determine the gross annual income for the Neighborhood Stabilization Program. The Part 5 definition of annual income is the gross amount of income of all adult household members that is **anticipated** to be received during the next 12-month period. Gross monthly income includes all taxable sources of income derived from: gross pay, overtime compensation, part-time employment earning, bonuses, dividends, interest, royalties, pensions, Veterans Administration (VA) compensation, net rental income, alimony, public assistance payments, sick pay, social security benefits, unemployment compensation, income received from trusts, income received from business activities, bank accounts, investments, and any other source of taxable income not listed above. Certain income exclusions exist (for example income of minors).

Information regarding income must be current within the most recent 30-day period preceding loan closing. Income not included by the Lender, but listed above, must be added to the Lender's income total on the "Income Computation Worksheet" income eligibility calculation for the City loan program. Income of the mortgagor (or mortgagors) and any other adult who is expected to live in the residence being financed must also be included in the household income calculation. All non-taxable income must be listed and bracketed on the "Income Computation Worksheet", but not counted when calculating the annual gross family income.

In summary, income of all mortgagors (on both title and deed of trust) shall be included in the gross income calculation for the program. Additionally, the income of any adult who will live in the residence should be included. For married couples, income includes the income of both spouses, whether or not on title.

The City is using the Department of Housing and Urban Development's Technical Guide for Determining Income and Allowances for the HOME Program for purposes of establishing income eligibility for the NS FTHB Program. The Program Administrator can be contacted for an electronic calculator. The HUD Guide can be found at the following weblink:

<http://www.hud.gov/offices/cpd/affordablehousing/library/modelguides/1780.cfm>

#### MILITARY PAY

For purposes of computing the buyer's gross monthly income, the monthly income is the "total entitlement" shown on the applicant's most recent monthly Leave and Earnings Statement and includes all regular pay, special pay and allowances. Non-taxed income, such as a housing allowance is counted as income. Certain categories of pay, which may be received only sporadically, may need to be considered on a case-by-case basis. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire is excluded from Annual Income.

[fm](http://www.hud.gov/offices/cpd/affordablehousing/training/web/calculator/requirements/determine.cfm)

## **STUDENT INCOME**

For purposes of computing the gross income of any person(s) identified as an adult student and a member of the household, the first \$480 of the student's income must be counted in the family's income. Note, however that the \$480 limit does not apply to a student who is the head of household or spouse (their full income must be counted).

## APPENDIX C

## SUBSIDY LAYERING ANALYSIS

The City's Neighborhood Stabilization First-Time Homebuyer (NS FTHB) Program is funded through the Neighborhood Stabilization Program (NSP) from the U.S. Department of Housing and Urban Development (HUD) and utilizes guidelines for HOME Investment Partnership Fund regulations. HOME Section 24 CFR 92.250 states that before committing funds to a project, the participating jurisdiction must evaluate the project (subsidy layering analysis) in accordance with guidelines that it has adopted for this purpose and will not invest any more NSP funds, in combination with other governmental assistance, than is necessary to provide affordable housing.

In order to determine the "buying power" of an applicant for the NS FTHB Program, lenders shall provide evidence for financing of the maximum primary loan amount and determine eligibility for the City's program. The combined dollar amount of the qualifying first mortgage and maximum threshold of qualifying NS FTHB funding shall establish an estimated "maximum purchase price". This amount will be included in the City's 60-day pre-commitment letter in order to facilitate applicants in finding eligible properties under the NS FTHB Program.

Once a property has been selected and the purchase price has been determined, a "gap" analysis shall be conducted to determine the exact dollar amount of the second mortgage with the City. The Lender must provide an analysis calculating cash available for all housing expenses\* by taking the lesser of the housing ratio (PITI) to monthly income of 36% or debt-to-income ratio of 41% FHA/45% minus debt. The housing cash available will then be used to determine the amount of the primary loan and, ultimately, the Program subsidy amount required, bridging the gap between the purchase price (less down payment) and the amount of the primary loan. The Primary First mortgage must be a fixed rate loan.

\* Monthly housing costs include, but are not limited to, payments of principal and interest on the first loan, taxes (including mello roos), insurance (including mortgage insurance), homeowner association fees, and other appropriate expenditures.

Following is a sample analysis, for illustrative purposes.

**Family of 2 earning \$4083.33/month, \$49,000/annual  
Household Qualifies for up to \$70,000 (80% AMI)**

Housing Payment

Housing cash available, lesser of:

Max Front Ratio	36% of \$4,083.33	=	\$1,470.00
Max Back Ratio	41% FHA of \$4,083.33 - \$250 Debt Service	=	<b>\$1,424.17</b>
Present Value of Monthly Interest (6.25% Annual), Term (30 Year), & cash available (\$1,424.17)			
Qualifying Mortgage		=	\$176,475.77

"Estimated Buying Power" Calculation

Qualifying Mortgage	\$176,475.77
NS FTHB Threshold	\$ 70,000.00
<b>"Maximum" Purchase Price</b>	<b>\$246,000.00</b>

"Gap" Calculation

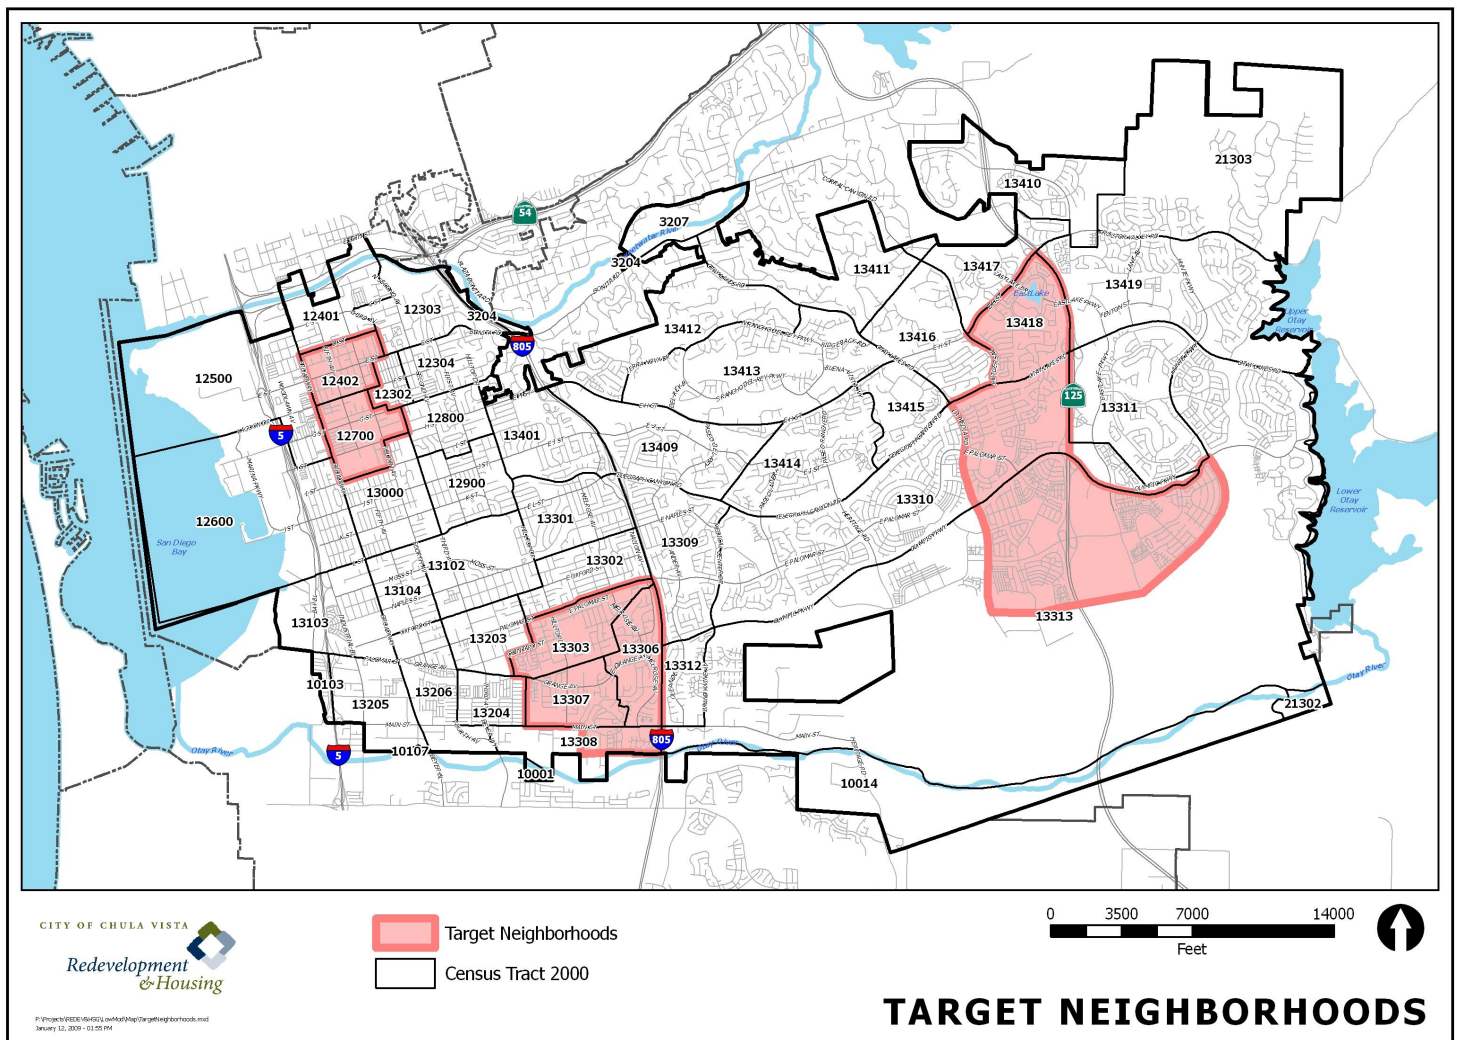

Purchase Price of Property	\$220,000.00
Less First Loan Amount	(176,475.77)
Estimated Closing Costs*	7,700.00
Less Down Payment (3%)	(6,600.00)
<b>"Gap" Financing Needed</b>	<b>\$ 44,624.23</b>

\* Closing Costs estimated at 3.5% of purchase price for FHA loans (as illustrated above) and 2% for conventional mortgages.

## APPENDIX D

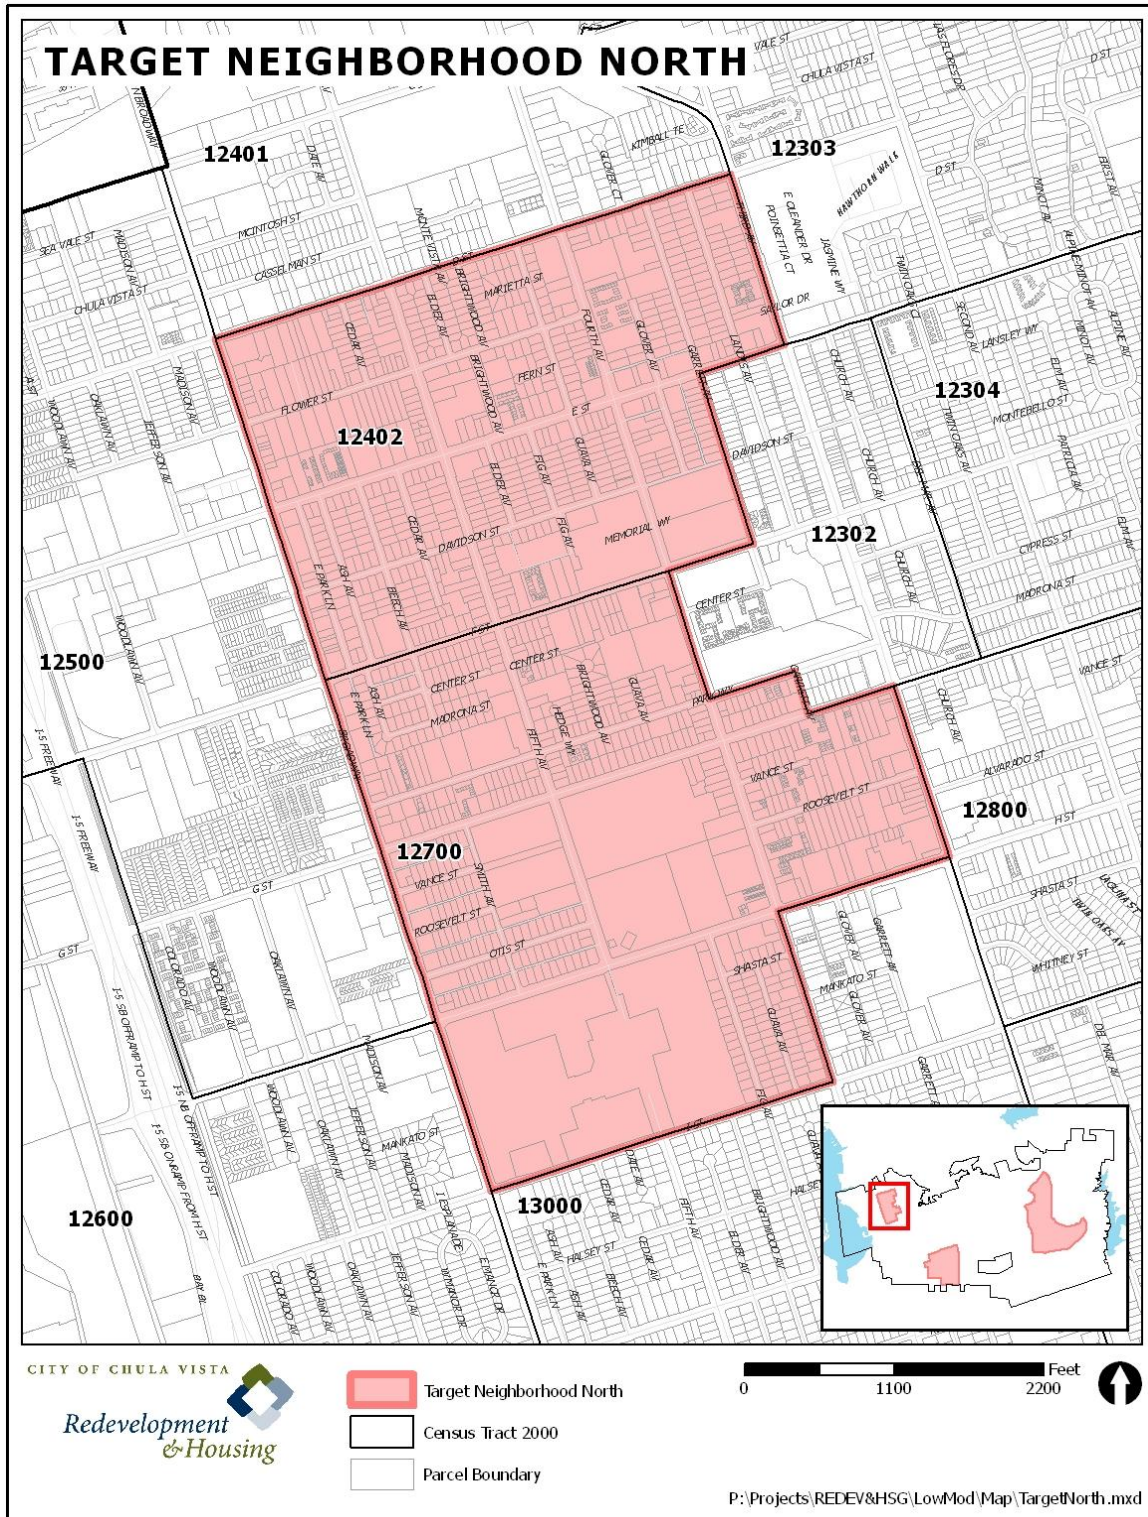

### NEIGHBORHOOD STABILIZATION PROGRAM TARGET NEIGHBORHOODS

The U.S. Department of Housing and Urban Development (HUD) required that jurisdictions establish areas of greatest need, neighborhoods that have been/will be affected by foreclosures to the greatest extent. Three target neighborhoods were established within Chula Vista to address the greatest need as follows: North, Southwest, and East. All properties purchased using the City's Neighborhood Stabilization First-Time Homebuyer (NS FTHB) Program assistance must be foreclosed and located within one of these three areas. Maps of the three areas are highlighted in the map below and detailed street level maps of each area with a description are included on the following pages.

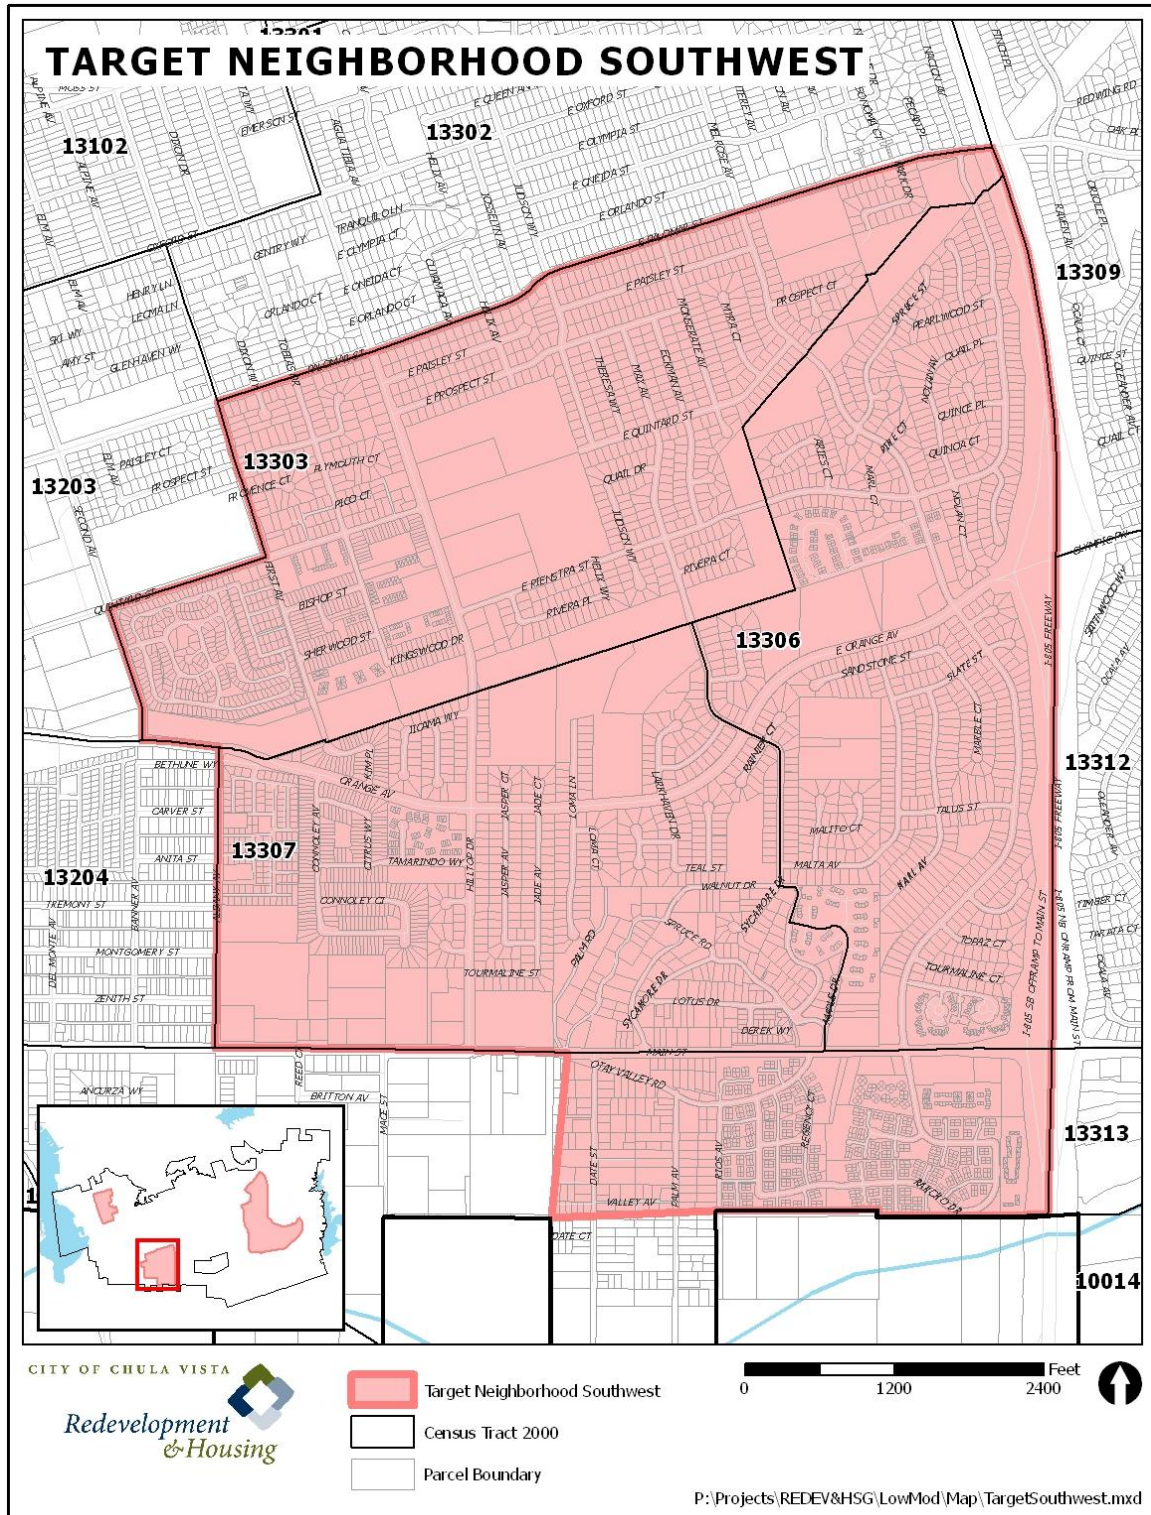

**North Target Neighborhood** includes census tracts 12402 and 12700. Bounded generally by the following streets: Broadway to the west, D Street to the north, Fourth Avenue to Third Avenue (varies) in the east, and I Street to the south.

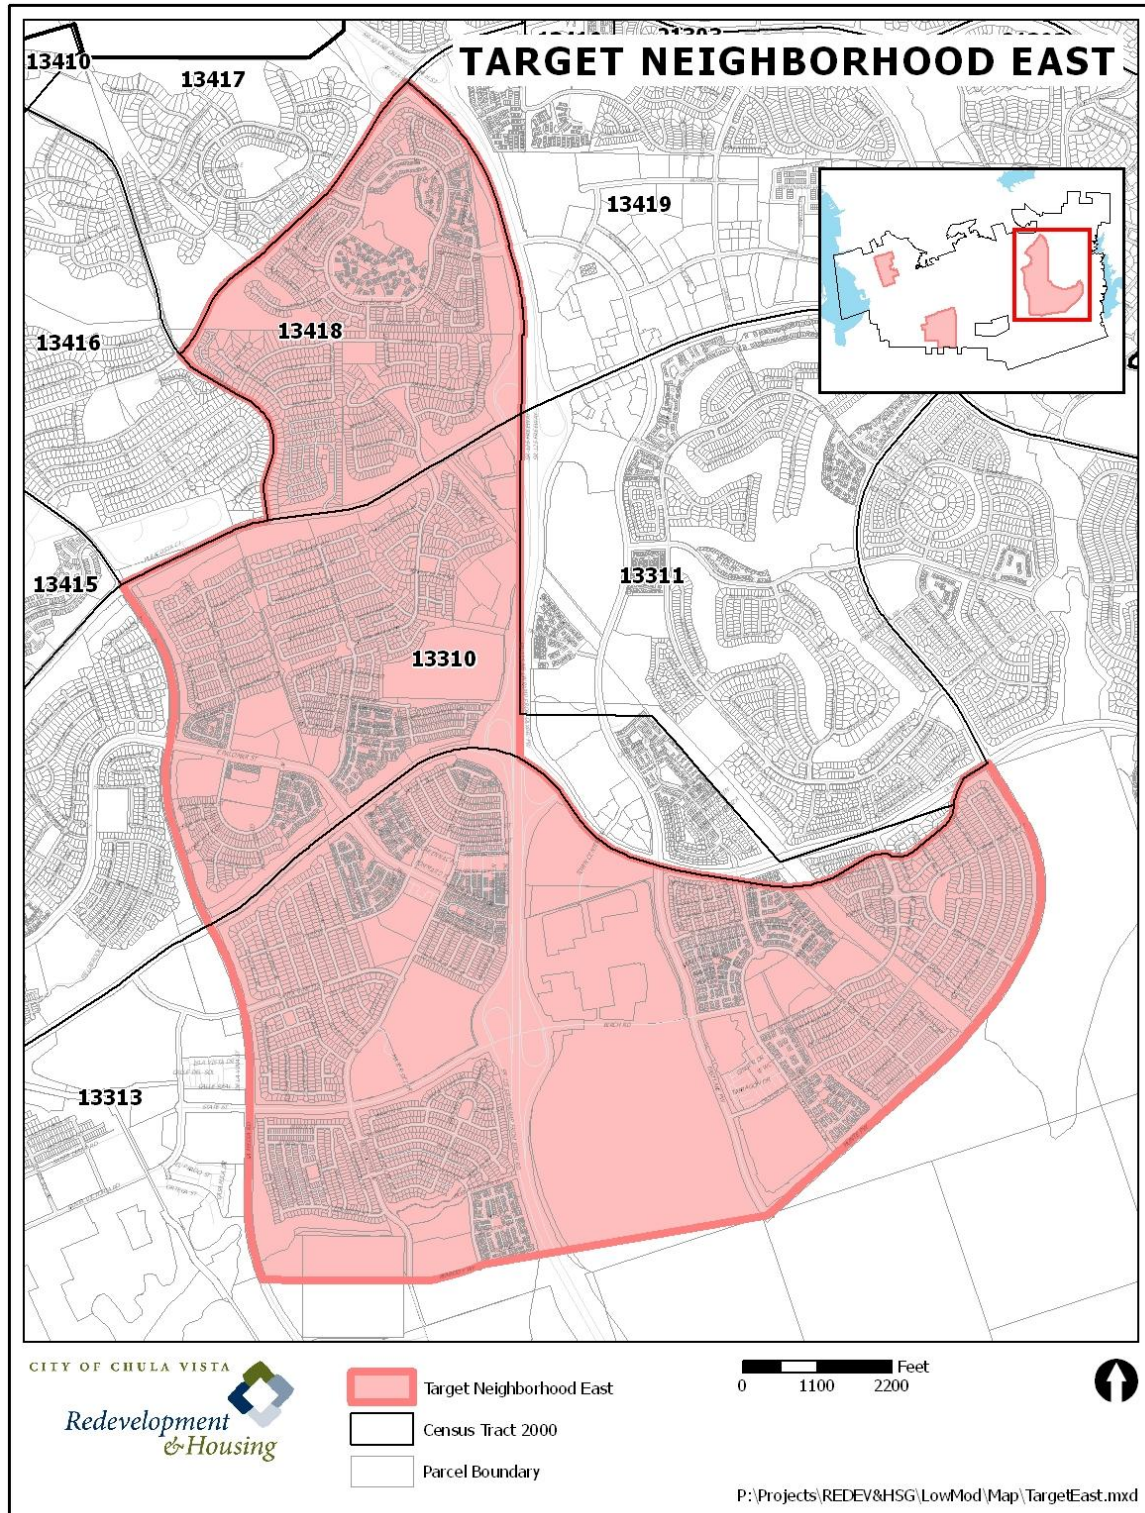

**Southwest Target Neighborhood** includes census tracts 13303, 13306, 13307, and the residential portion of tract 13308. Bounded generally by the following streets: Second Avenue to First Avenue (varies) in the west, Palomar Street to the north, I-805 in the east, and the City boundary (varies) to the south.

**East Target Neighborhood** includes census tract 13418 and portions of tracts 13310 and 13313. Bounded generally by the following streets: La Media in the west, E. H Street to the north, SR-125 and Hunte Parkway (varies) in the east, and Hunte Parkway and Peabody Way (varies) to the south.

APPENDIX E

REQUEST FOR ISSUANCE OF VOLUNTARY ACQUISITION FORM

*The City of Chula Vista is required to notify the owner of any property that is potentially being purchased with Neighborhood Stabilization First-Time Homebuyer Program funds, that the transaction is voluntary. To comply with this requirement, once a property has been selected, an initial offer has been placed, "likely" carrying costs calculated, and an appraisal has been conducted by a certified CHW appraiser (including Appraiser Checklist and Certification), this form along with the above referenced documents must be submitted to CHW for a request to issue the voluntary acquisition form.*

I, \_\_\_\_\_, phone: (\_\_\_\_\_) \_\_\_\_\_ - \_\_\_\_\_,  
 email: \_\_\_\_\_ (Applicant's Agent), verify that  
 \_\_\_\_\_ (Applicant) has a pre-commitment letter from  
 the City through the Neighborhood Stabilization First-Time Homebuyer Program and  
 have placed an initial offer on a property located at

The owner of record on the property is:

Bank name: \_\_\_\_\_

Address: \_\_\_\_\_  
 \_\_\_\_\_

Authorized representative: \_\_\_\_\_

Phone number: (\_\_\_\_\_) \_\_\_\_\_

Our initial offer on the property was for \$ \_\_\_\_\_. The property value, as  
 determined by the certified appraiser, has been established at \$ \_\_\_\_\_.  
 We have calculated the "likely carrying costs" of the property at \$ \_\_\_\_\_,  
 which represents a "purchase discount" of \_\_\_\_\_% off of the established property  
 value. Therefore our final offer for the property will be \$ \_\_\_\_\_.

*Please note that the voluntary acquisition form will not be issued without this request form fully completed (including the owner's authorized contact and phone number), attaching the required documentation from the appraiser, and the calculated "maximum purchase discount". The voluntary acquisition form upon issuance must be submitted with a final purchase offer, with proof of delivery.*

SAMPLE VOLUNTARY ACQUISITION FORM

*(Proof of Delivery Required)*

**Dear** (Owner of Record):

(Name of Purchaser) \_\_\_\_\_ is interested in acquiring property you own at (address) \_\_\_\_\_ through the Chula Vista Neighborhood Stabilization First-Time Homebuyer Program which may receive funding assistance from the U.S. Department of Housing and Urban Development (HUD) under the Neighborhood Stabilization Program (NSP).

Please be advised that the City possesses eminent domain authority to acquire property, however, in the event you are not interested in selling your property, or if we cannot reach an amicable agreement for the purchase of your property, we will not pursue its acquisition under eminent domain. Your property is not a necessary part of the proposed project and is not part of an intended, planned, or designated project area where substantially all of the property within the area is to be acquired.

Under the NSP, we are required to purchase foreclosed property at a discount from its current market appraised value. Our appraisal indicates the property's market value is \$ \_\_\_\_\_. The purchaser is prepared to offer you \$ \_\_\_\_\_ to purchase your property. This offer is less than the current market appraised value as required by the NSP. Please contact us at your convenience if you have questions about this transaction, at (619) 585-5609.

In accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA), owner-occupants who move as a result of a voluntary acquisition are not eligible for relocation assistance. A tenant-occupant who moves as a result of a voluntary acquisition for a federally-assisted project may be eligible for relocation assistance. Such displaced persons may include not only current lawful occupants, but also former tenants required to move for any reason other than an eviction for cause in accordance with applicable federal, state, and local law. If your property is currently tenant-occupied or a tenant lawfully occupied your property within the past 3 months prior to our offer, we need to know immediately. Further, you should not order current occupant(s) to move, or fail to renew a lease, in order to sell the property to us as vacant.

Please acknowledge receipt of this notice and return to the City's Program Administrator upon completion.

## APPENDIX F

## CALCULATING PURCHASE DISCOUNT/LIKELY CARRYING COSTS

All properties purchased with assistance through the Neighborhood Stabilization First-Time Homebuyer Program (NS FTHB) must be purchased at a "maximum reasonable discount" from the mortgagee, taking into consideration likely "carrying costs" of the mortgage if it were to not sell the property to NS FTHB subrecipient. These likely carrying costs are different from market to market, and the "maximum reasonable discount" is likely to be higher in markets where homes are taking many months to more than a year to sell as compared to markets with shorter average time to sell a property. The minimum discount for a property acquired with NS FTHBP funds must be at least fifteen percent (15%).

For purposes of the City's NS FTHB, "maximum reasonable discount" shall be calculated using the methodology below to anticipate carrying costs including, but not be limited to: taxes, insurance, maintenance, marketing, overhead, and interest, reference example below. The "likely" time on market must be documented through comparable properties in the area and included with the calculator.

Each property transaction is required to include such analysis and be turned into the City's Program Administrator with the "Request for Issuance of a Voluntary Acquisition" form and the certified appraisal. The Program Administrator can be contacted for an electronic calculator.

Example (in this scenario the "likely" carrying costs exceed 15% and the "maximum reasonable discount" is 15.4%):

157-168	\$185,000	\$166,500	\$125,000	\$41,500	\$37,350 (90%)	\$4,150 (10%)
169-180	\$185,000	\$166,500	\$125,000	\$41,500	\$39,425 (95%)	\$2,075 (5%)
Thereafter	\$190,000	\$171,000	\$125,000	\$46,000	\$46,000 (100%)	\$0 (0%)

If the Property is sold in the first year of the term of the Note secured by this Deed of Trust, Borrower shall receive zero percent (0%) of the Equity in the Property and the City shall receive one hundred percent (100%) of the Equity. "Equity" is defined as the dollar amount that constitutes the difference between the sales price of the Property and the sum of the following amounts:

1. Principal on the First Note and the Deed Trust; and
2. Principal on this Second Note and Deed of Trust to the City of Chula Vista; and
3. All costs of sales, including cost of brokers' commissions, escrow fees, title costs and fees, recording cost, etc.; and
4. Current year taxes, including all real estate taxes calculated to the date of sale; and
5. Borrower's down payment not including the loan from the City to Borrower; and
6. All principal paid down on the First Note and Deed of Trust; and
7. Costs of any improvements to the Property, provided such improvements were approved by the City prior to construction and provided that such improvements have been documented to the satisfaction of the City.

The amount of the Borrower's share in the equity of the Property shall increase by five percent (5%) per year, measured on the anniversary date of this Deed of Trust. Correspondingly, the City's

share in the equity of the Property shall decrease by five percent (5%) per annum. For the sake of example, if the Property is sold more than ten (10) but less than eleven (11) years after the date of this Deed of Trust, the City would have a twenty five percent (25%) share in the Equity and the Borrower would have a seventy five percent (75%) share in the Equity of the Property.

In the event that no Equity exists at the time of transfer or sale, the NSP funds (item 1b above) will still be due and payable. In the event that a negative Equity situation exists, and the full amount of the NSP funds are not available to be recaptured, the amount of NSP funds required to be repaid to the City will be as set forth in 24 CFR 92.254(a)(ii)(A)(3). The formulas are as follows:

$$\frac{\text{NSP investment}}{\text{NSP investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{NSP amount to be recaptured}$$

$$\frac{\text{Homeowner investment}}{\text{NSP investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{amount to homeowner}$$

“NSP investment” is defined funds received pursuant to the NSP Program. “Homeowner investment” is defined as the amount of down payment made by the owner.

### CODE AND DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT HOUSING QUALITY STANDARDS (HQS)

The City's Neighborhood Stabilization First-Time Homebuyer Program is funded through the Neighborhood Stabilization Program (NSP) from the U.S. Department of Housing and Urban Development (HUD). For purposes of the program the City has chosen to use HOME Investment Partnership Program (HOME) requirements. HOME at 24 CFR 92.251(a)(2) states that housing must "meet all applicable State and local housing quality standards and code requirements and, if there are no such standards or code requirements, the housing must meet the housing quality standards in 24 CFR 982.401".

The Acceptability Criteria listed with each section sets the minimum standards that must be met in all residential units. The Interpretation of Acceptability Criteria listed after those criteria are the standards that HUD feels should also be met if the property is to have long-term utility and contribute to the livability of the unit.

#### ACCEPTABLE CRITERIA AND INTERPRETATIONS

- A. SITE AND NEIGHBORHOOD - The site and neighborhood shall be reasonably free from disturbing noises and reverberations and other hazards to the health, safety and general welfare of the occupants.

ACCEPTABILITY CRITERIA - The site and neighborhood shall not be subject to serious adverse environmental conditions, natural or manmade such as:

1. Dangerous walks, steps or instability;
2. Flooding, poor drainage, septic tank back-ups, sewer hazards or mudslides;
3. Abnormal air pollution, smoke or dust;
4. Excessive noise, vibrations or vehicular traffic;
5. Excessive accumulations of trash;
6. Vermin or rodent infestation;
7. Fire hazards;

#### INTERPRETATION OF ACCEPTABILITY CRITERIA

1. All steps and walks should be level, free from dangerous cracks, crumbling or breaks, tripping hazards, broken & missing materials, etc., and be provided with sufficient pitch to prevent water accumulation.
2. The lot should have positive drainage away from the dwelling and/or dwelling unit to prevent standing water at the foundation.
3. No additions.
4. No additions.
5. Any materials, which accumulate on a property in the neighborhood, should be removed or screened and arranged in a manner that does not detract from the general appearance of the neighborhood.
6. No additions – see #5 above – removal of trash, garbage, debris, etc., will significantly reduce infestation problems.
7. The site should be free from fire hazards, such as the storage of highly flammable materials, etc.

- B. ACCESS – The dwelling/dwelling unit shall have adequate access for the occupants.

ACCEPTABILITY CRITERIA

1. The dwelling/dwelling unit shall be usable and capable of being maintained without unauthorized use of other private properties.
2. The building shall provide an alternative means of egress in case of fire, i.e., fire stairs, egress through windows, etc.

INTERPRETATION OF ACCEPTABILITY CRITERIA

1. The property should be adjacent to an access street or road.
2. No additions.

- C. STRUCTURE AND MATERIALS - The dwelling/dwelling unit shall be structurally so as not to pose any threat to the health and safety of the occupants and so as to protect the occupants from the environment.

ACCEPTABILITY CRITERIA

1. Ceilings, walls (interior and exterior), floors, roofs, porches, etc., shall not have any serious defects such as severe bulging or leaning, large holes, loose surface materials, severe buckling or noticeable movement under walking stress, missing parts, or other serious damage.
2. The roof structure shall be firm and the roof shall be weather tight.
3. The exterior wall structure and the exterior and interior wall surfaces shall not have any serious defects such as serious leaning, buckling, sagging, cracks or holes, loose materials, loose siding or other serious damage.
4. The conditions and equipment of interior and exterior stairways, halls, porches, walkways, etc., shall be such as not to present a danger of tripping and/or falling.
5. Elevators shall be maintained in a safe operating condition.
6. In the case of a mobile home, the home shall be securely anchored by a tie-down device, which distributes and transfers loads imposed by the unit to appropriate ground anchors so as to resist wind, overturning and sliding.

INTERPRETATION OF ACCEPTABILITY CRITERIA

1. Where crawl spaces or basements exist, all first-floor structural wood members, including floor joists, plates, piers and pilings should be inspected for cracked, broken, rotten or otherwise damaged conditions. Damaged members should be repaired and/or replaced as required.  
The exterior/interior walls should be weather-tight in a manner that prevents heat loss in the winter (cooling loss in the summer) as much as possible. This includes the repainting and/or installations of siding to protect the exterior surface from the elements. The interior walls should be repaired/replaced as required to facilitate this criterion.
2. The roof structure should be firm in that all roof-framing members should be free from cracks and rot. The roof sheathing should be solid and free from sagging, buckling, heaving, etc. If the roof appears to be well worn, it should be replaced. If possible, the best replacement will include stripping all the way down to the sheathing and replacing. If costs dictate, a second layer of roofing can be installed over the first layer. If there are already two or more layers of roofing materials, the roof should be stripped down to the sheathing, and if necessary, replace the sheathing and then install the new roof covering.
3. Concrete block or brick foundations, piers and pilings, should be inspected for loose mortar joints. All empty or cracked mortar joints should be tuck-pointed in an acceptable manner to match, as closely as possible, the rest of the structure. The joints should be recessed.

The chimney should be inspected for loose mortar joints and proper height. All empty or cracked mortar joints should be tuck-pointed in an acceptable manner to match, as closely as possible, the rest of the chimney. The joints should be recessed.

## APPENDIX M

### REHABILITATION GUIDELINES

The use of Neighborhood Stabilization funds allows for the rehabilitation of properties. Eligible property improvements can be made up to \$24,999 (in addition to the required "gap funding") as part of the overall funding of the maximum loan threshold the family qualifies for through the Neighborhood Stabilization First-Time Homebuyer (NS FTHB) Program. All buyers of properties that anticipate applying for NS FTHB Rehabilitation will require a minimum of a 45 day escrow period. If the required repairs exceed \$24,999 or the overall required funding to meet the "gap" financing and health and safety related repairs exceed the maximum qualifying threshold (\$40,000 or \$70,000) the property will become ineligible. The Program Administrator and lender will place a 90 day escrow hold on funds related to repairs, within which time the applicant will be required to make repairs.

#### Process

1. All households assisted through the NS FTHB Program are required to pay for a licensed third party inspection of the property. If the third party inspector identifies needed repairs that the buyer will not agree to make prior to the close of escrow, the applicant is eligible to apply for rehabilitation assistance, reference application on page M-5.
2. At time of application and confirmation of eligible repairs requested, the Program Administrator shall conduct an inspection to complete the HOUSING QUALITY STANDARDS (HQS)/CODE INSPECTION FORM, and provide a list of items that the applicant shall receive bids on.
3. The applicant will be required to receive three bids from licensed contractors approved by the City. Licensed contractors shall provide and update annually the following documents:
  - a. State Contractor's License
  - b. City of Chula Vista Business License
  - c. Insurance, including:
    - (a) General Liability insurance in the amount of \$1 Million dollars (Additional Insured Endorsement designating "City of Chula Vista, its elected officials, employees and volunteers");
    - (b) Proof of Auto Liability insurance in the amount of \$1 Million dollars; and
    - (c) Proof of Worker's Compensation insurance.

Contractors will also be required to sign an Acknowledgement regarding Policies for Participation including issues of the disbursement process and disputes between Contractors and their clients.

New licensed contractors that are hired by Loan recipients must also be approved by the City and provide a copy of their State Contractor's License, City of Chula Vista Business License, insurance documentation, and sign all appropriate forms before beginning work.

4. Upon receipt of the three bids the applicant shall submit them to the Program Administrator for NS Rehabilitation Loan Committee ("Committee") review. The Committee shall meet on an as-needed basis to review applications and bids. The Committee is comprised of two City employees (one each from the Finance Department and Housing Authority) and one

employee from the Program Administrator staff. The purpose of the CHIP Committee is to review and approve work requests, and develop and implement rehabilitation guidelines.

5. Once the Committee has made their final determination for each application, the Program Administrator shall endeavor to provide written notice of the results to each applicant within two days. For applicants that have been approved, an Affidavit of Responsibility shall be included in the correspondence. All documents must be signed and returned before final escrow closing.

The Affidavit of Responsibility requires that the Loan recipient indemnify, hold harmless and release the City from any claims or losses for any disputes that might arise from the work funded by the loan. This includes any dispute between the borrower and a contractor regarding the quality of work and materials. Each recipient must indicate which contractor they have chosen to conduct work and to sign and date the Affidavit of Responsibility.

6. Once staff has received the signed documents, a letter must be sent to the licensed contractor, which indicates the name of the borrower, address, loan amount, and the process for payment. This letter should be sent within two days of receipt of the Affidavit of Responsibility.
7. At this point it is the responsibility of the applicant/borrower to contract with the contractor to complete work at least 2 weeks prior to the end of the escrow hold period.
8. At completion of repairs the contractor shall complete the standard "Payment Request Form", which the licensed contractor must use to itemize each repair and associated cost that the bid estimate is being provided for. Upon completion of all repairs, as appropriate, the licensed contractor must have the borrower sign the payment invoice and Payment Request. This will help to ensure that the borrower is aware of what is being indicated as work completed and the repairs that are being paid for.
9. The licensed contractor must then submit the invoice for payment to the Program Administrator.
10. The Program Administrator will schedule an inspection with the borrower to confirm all work has been completed.
11. The Program Administrator will prepare a two-party check that shall be made payable to the contractor.

#### Eligible Repairs

All repairs made must be in compliance with state and local law and shall be made in the following order:

1. First priority is the elimination of California Health/Safety hazards and code violations. This may include the following major systems or building components:
  - a. Structural: foundations, footings, chimneys, framing, siding, subfloors, roof diaphragm, retaining walls, etc.
  - b. Plumbing: drain, waste, and vent systems, hot and cold water pipes, drainage systems, plumbing fixtures, bathtubs, sinks, toilets, hot water heaters, etc.
  - c. Mechanical: heating and air conditioning to include any built-in, floor, central, wall gas or electric unit.

- d. Electrical: safe adequate wiring, service panel/amperage for modern conveniences, service entrance, receptacles and, interior/exterior lighting.
  - e. Interior/Exterior building components: floor coverings, ranges/refrigerators, garbage disposal, kitchen cabinets, counter tops, vanities, drywall, painting, doors, windows, weatherization, smoke alarms, security bars, hazardous building construction materials, concrete work and fencing etc.
  - f. Required Lead-Based Paint remediation.
2. Second priority is the elimination of potential violations. These work items would include all of the work mentioned above that are not code violations today, but will become violations at some time in the near future (two years or less). Examples include:
    - a. A roof covering that has reached its life expectancy, but shows no sign of leaking.
    - b. Floor covering that is excessively worn and in a reasonably short period of time will no longer be effective for the intended use.
    - c. Kitchen counter tops, appliances, bath vanities or tub surrounds which show pitted or worn surfaces but are not bad enough to classify as a code violation.
    - d. Paint that is aged near its useful life expectancy but remains a washable surface and provides adequate water and weather protection.
  3. Third priority is energy and/or water conservation improvements. These conservation improvements or repairs include insulation, water saving toilets or other fixture, energy-efficient appliances, water heaters and xeriscope yard improvements.
  4. Fourth priority is general property improvements. General property improvements are those items which cannot be classified in the first three categories but by their inclusion enhance the exterior or interior appearance of the dwelling or occupancy of the inhabitants. For the most part, general property improvements are limited to funding sources that allow them. In all cases the work must be justified. "Luxury" items are not allowed. Some examples of general property improvements are:
    - a. Dishwashers (dishwashers may be a higher priority depending on circumstances i.e., medical needs or replacement of an existing non-functioning unit).
    - b. Upgrading floor covering that may not be a safety or incipient violation.
    - c. Upgrading of obsolete kitchen cabinets that are in good to fair condition.

Termite Repairs – a Termite Inspection Report is required and is prepared for every home by a licensed inspector. The report should identify any termite or dry rot damaged wood members in the home as well as whether or not there are any active termite infestations in the home. Any termite or dry rot damaged wood members in the home are required to be replaced or repaired due to the health and safety risk they pose to the structural integrity of the home. Fumigation or other treatments recommended to eliminate any active termite infestations are required.

Lead-Based Paint - use of NS FTHB funds requires strict adherence to the Federal Lead-Based Paint Hazard Reduction Act of 1992, also known as Title X of the Housing and Community Development Act of 1992. The primary reason why the Department of Housing and Urban Development (HUD) and its grantees need to address the presence of lead-based paint and lead-based paint hazards is to protect children and families. In addition, addressing the presence of lead-based paint and lead-based paint hazards also reduces liability, reduces insurance costs, and ensures compliance with Title X as mandated by HUD. The major types of requirement, per the revised September 15, 1999, HUD regulations, are as follows:

1. Notification

2. Identification of defective paint surfaces
3. Treatment of defective paint surfaces
4. Response to Elevated Blood Level (EBL) children
5. Other Lead Based Paint Requirements:
  - a. Occupant protection
  - b. Worker protection
  - c. Work area containment
  - d. Document maintenance

The following Table demonstrates the steps necessary in evaluating and correcting lead-based paint in relation to the dollar amount spent on the rehabilitation of the property.

Ineligible Items – There are specific items that may or may not be allowed as eligible work and are determined by need, circumstances and individual program parameters. These items include:

1. Room Additions
2. Patio Covers and Slabs (replacement only unless existing conditions can be documented/justified and authorized by the CHIP Committee)
3. Landscaping (except in the case of xeriscope yard improvements)
4. Garages and Carports
5. Window Coverings

The following items are ineligible under most programs offered by the City:

1. Luxury materials, appliances, etc.

15. **"OWNER"** or **"OWNERS"** is the qualifying household that is the purchaser of a House within the Project.
16. **"PROJECT"** means the purchase of the Property, which will be affordable to households earning at or below One hundred and twenty Percent (120%) of Area Median Income.
17. **"PROPERTY"** means the real property located at: XXXXXXXX, Chula Vista, California 9191X, and described in the attached Exhibit A, which is hereby incorporated into this Agreement by this reference, and any buildings or improvements now or hereafter situated on said real property.
18. **"QUALIFYING HOUSEHOLD"** means a household whose income is Eighty Percent of Area Median Income, as determined periodically by HUD, who is otherwise eligible to purchase a House.
19. **"QUALIFYING SALES PRICE"** means a sales price that does not exceed 95% of the median purchase price for the area, as determined by HUD.

**B. TERM OF AGREEMENT**

The term of this Agreement shall remain in full force and effect during the Effective Period regardless of any expiration of the term of any Loan, any payment or prepayment of any Loan, any assignment of a Note, any reconveyance of a Deed of Trust, or any sale, assignment, transfer, or conveyance of the Property, unless terminated earlier by City in writing or extended by the mutual consent of the parties. However, failure to record this Agreement by City shall not relieve Owner of any of the obligations specified herein. The covenants in this Agreement will run with the land for the benefit of City and its heirs, assigns and successors and be binding on Owner and Owner's heirs, assigns and successors for the full term of this Agreement.

**C. USE OF FUNDS**

NSP Funds will be used to acquire the Property. Funds will be utilized in a soft second assistance program, which will effectively allow the Qualifying Household to acquire the Property.

**D. AFFORDABILITY**

1. The House will qualify as affordable housing and will have:
  - a. an initial purchase price that is a Qualifying Sales Price; and
  - b. an estimated appraised value at acquisition that does not exceed Qualifying Sales Price.
2. The House must be the principal residence of an Owner that is a Qualifying Household at the time of purchase.
3. The deferred Loan for the NSP-assisted House is \$ XXXXXX.
4. Pursuant to 24 CFR 92.254 the use of NSP funds in a homeownership transaction carries a period of affordability for projects. This Section D will apply for the term of the Effective Period (15 years).

**E. RECAPTURE OF NSP FUNDS**

Initials \_\_\_\_\_

1. Pursuant to 24 CFR 92.254(a)(ii), the City of Chula Vista requires that NSP funds be recaptured if the housing does not continue to be the principal residence of the family for the duration of the Period of Affordability. If all or any part of the Property or any interest in it is sold, rented, refinanced, conveyed or transferred (or if a beneficial interest in Borrower is sold, rented, refinanced, conveyed, or transferred and Borrower is not a natural person), the "Equity", as hereafter defined, in the Property shall be shared between the Borrower and the City on the following basis:

# Months After Date of Agreement	Buyer's Equity Share (Increases 5% per year)	City of Chula Vista Equity Share (Decreases 5% per year)
<b>0-12</b>	<b>0%</b>	<b>100%</b>
<b>13-24</b>	<b>5%</b>	<b>95%</b>
<b>25-36</b>	<b>10%</b>	<b>90%</b>
<b>37-48</b>	<b>15%</b>	<b>85%</b>
<b>49-60</b>	<b>20%</b>	<b>80%</b>
<b>61-72</b>	<b>50%</b>	<b>50%</b>
<b>73-84</b>	<b>55%</b>	<b>45%</b>
<b>85-96</b>	<b>60%</b>	<b>40%</b>
<b>97-108</b>	<b>65%</b>	<b>35%</b>
<b>109-120</b>	<b>70%</b>	<b>30%</b>
<b>121-132</b>	<b>75%</b>	<b>25%</b>
<b>133-144</b>	<b>80%</b>	<b>20%</b>
<b>145-156</b>	<b>85%</b>	<b>15%</b>
<b>157-168</b>	<b>90%</b>	<b>10%</b>
<b>169-180</b>	<b>95%</b>	<b>5%</b>
<b>Thereafter</b>	<b>100%</b>	<b>0%</b>

If, for example, the Property is sold, rented, refinanced, conveyed, or transferred within the first year the term of the Note secured by this Deed of Trust, Borrower shall receive zero percent (0%) of the Equity in the Property and the City shall receive one hundred percent (100%) of the Equity. "Equity" is defined as the dollar amount that constitutes the difference between the sales price of the Property and the sum of the following amounts:

- a. principal on the First Note and the Deed of Trust; and
- b. principal on this Second Note and Deed of Trust to the City of Chula Vista; and
- c. all costs of sale, including costs of brokers' commissions, escrow fees, title costs and fees, recording costs, etc.; and
- d. current year taxes, including all pro-rata real estate taxes calculated to the date of sale; and
- e. borrower's down payment not including the loan from the City to Borrower; and
- f. all principal paid down on the First Note and Deed of Trust; and
- g. costs of any improvements to the Property, provided such improvements were approved by the City prior to construction and provided that such improvements have been documented to the satisfaction of the City.

The amount of the Borrower's share in the Equity of the Property shall increase by five percent (5%) per year, measured on the anniversary date of this Deed of Trust. Correspondingly, the City's share in the equity of the Property shall decrease by five percent (5%) per annum. For the sake of example, if the Property is sold more than ten (10) but less than eleven (11) years after the date of this Deed of Trust, the City would have a twenty

Initials \_\_\_\_\_

five percent (25%) share in the Equity and the Borrower would have a seventy five percent (75%) share in the Equity of the Property.

In the event that no Equity exists at the time of transfer or sale, the NSP funds (item 1b above) will still be due and payable. In the event that a negative Equity situation exists, and the full amount of the NSP funds are not available to be recaptured, the amount of NSP funds required to be repaid to the City will be as set forth in 24 CFR 92.254(a)(ii)(A)(3). The formulas are as follows:

$$\frac{\text{NSP investment}}{\text{NSP investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{NSP amount to be recaptured}$$

$$\frac{\text{Homeowner investment}}{\text{NSP investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{amount to homeowner}$$

"NSP investment" is defined funds received pursuant to the NSP Program.

"Homeowner investment" is defined as the amount of down payment made by the owner.

Provided that Borrower is not in default under the terms of the Note and loan documents, the Note interest/equity share shall be forgiven in its entirety and interest in the equity of the Property shall be relinquished by the City fifteen (15) years from the date of the execution of the Note, with only principle remaining due and payable upon transfer, as provided in Section 5 of the Note.

#### F. PROPERTY MANAGEMENT

1. **Maintenance and Security.** During the Effective Period, Owner shall at his or her own expense maintain the Property in good condition, in good repair, and in decent, safe, sanitary and habitable living conditions for the benefit of that Owner's household and any prospective occupants. Owner shall maintain the Property in conformance with all applicable state, federal and local laws, ordinances, codes and regulations.
2. In the event that Owner fails to maintain the Property in accordance with these standards and after at least thirty (30) business days prior notice to Owner, the City or the City's contractor or agent may, but shall be under no obligation to, enter upon the Property, make such repairs or replacements as are deemed necessary in the City's discretion, and provide for payment thereof. Any amount advanced by the City to make such repairs, together with interest thereon from the date of such advance at the rate of seven (7) percent (unless payment of such an interest rate would be contrary to applicable law, in which event such sums shall bear interest at the highest rate then allowable by applicable law), shall become an additional obligation of the Owner to the City and shall be secured by any Deed of Trust, if not previously reconveyed.

#### G. REPAYMENTS

NSP funds that are loaned to the Owner are to be remitted (principal and interest, as warranted) to the City to be retained and used as program income for additional First-Time Homebuyers.

#### H. PROJECT REQUIREMENTS

Compliance with the following project requirements is required as follows:

- 1) Maximum per-unit subsidy amount. The amount of NSP funds that a participating jurisdiction may invest on a per-unit basis in affordable housing will not exceed the per-unit dollar limits established by NSP.

Initials \_\_\_\_\_

- 2) Property Standards. Housing that is assisted with NSP funds, at a minimum, must meet Section 8 Housing Quality Standards.
- 3) Property Cost Limits. The value of acquisition and development of the housing units must not exceed ninety-five percent (95%) of the median purchase price for the area, as determined by HUD and amended from time to time.
- 4) Occupancy Requirements. The NSP Program requires that occupancy standards must be maintained for the Effective Period for each of the assisted Houses as follows:
  - (1) The prospective purchaser must be moderate or low income; that is, the purchaser must have an annual (gross) income that does not exceed One Hundred Twenty Percent (120%) or Eighty Percent (80%) of Area Median Income, which will be determined at either the time the household initially occupies the property or at the time the NSP funds are invested; whichever is later.
  - (2) Each Owner must occupy the property as a principal residence. Only loan default and subsequent foreclosure negates the principal residence limitation.
  - (3) The property will remain affordable, pursuant to this covenant for not less than the Effective Period, as specified by the affordability schedule as 24 CFR Section 92.252(a)(5).
- 6) Ownership Interest. The purchaser must have fee simple title upon sale of a NSP-assisted unit or cooperative ownership interest upon sale of a NSP-assisted unit.
- 7) Refinance. The City will subordinate to the following refinance situations only, subject to City approval and additional documentation is required:
  - (1) FHA streamline refinance, with a reduction in total PITI and no cash out.
  - (2) VA rate reduction refinance, with a reduction in total PITI and no cash out.
  - (3) Conventional rate and term refinance, with a reduction in total PITI and no cash out.

**I. REVERSION OF ASSETS.**

Owner must transfer to the City any NSP funds remaining in the Property after the time of expiration of the Effective Period when there is a change to title on the Property or any sale, rental, refinance, conveyance or transfer of Property. Any funds received as a result of this reversion of assets shall be used for additional NSP-eligible activities.

**J. DEFAULTS AND REMEDIES.**

In the event of any breach or violation of any agreement or obligation under this Agreement, the City may proceed with any or all of the remedies as described in paragraph 18 of the Deed of Trust.

**K. NON-LIABILITY OF OFFICIALS, EMPLOYEES AND AGENTS.**

No officer, official, director, employee, agent or representative of the City shall be personally liable to Owner for any obligation created under the terms of this Agreement except in the case of actual fraud or willful misconduct by such person.

**L. INDEMNITY.**

Notwithstanding the insurance coverage required herein, Owner shall indemnify and hold the City and its officers, officials, directors, employees, agents and authorized representatives (each, an "Indemnified Party," and collectively, "Indemnified Parties"), free and harmless against any losses, damages, liabilities, claims, demands, judgments, actions, court costs, and legal or other expenses (including attorney's fees) which any Indemnified Party may incur as a direct or indirect consequence of (1) Owner's failure to perform any obligations as and when required by this Agreement; (2) any failure of any of Owner's representations or warranties to be true and complete; or (3) any act or omission by Owner or any contractor, subcontractor, management agent, or supplier with respect the Property, except where such losses are caused by the sole negligence or

Initials \_\_\_\_\_

willful misconduct of Indemnified Parties. Owner shall pay immediately upon the City's demand any amounts owing under this indemnity. The duty of the Owner to indemnify includes the duty to defend Indemnified Parties in any court action, administrative action, or other proceeding brought by any third party arising from the Property. Owner's duty to indemnify Indemnified Parties shall survive the term of this Agreement.

**M. SUBORDINATION**

This Agreement shall be subordinated in priority only to the liens and encumbrances approved by the City in the Loan Agreement or otherwise in writing by the City in its sole and absolute discretion.

**N. GENERAL PROVISIONS**

1. **Governing Law.** This Agreement shall be interpreted under and be governed by the laws of the State of California, except for those provisions relating to choice of law and those provisions preempted by federal law.
2. **This Agreement Controls.** In the event that any provisions of this Agreement and any Loan Documents conflict, the terms of this Agreement shall control.
3. **Time.** Time is of the essence in this Agreement.
4. **Consents and Approvals.** For those provisions of this agreement which are expressly subject to consent or approval of the City, said consent or approval shall not be unreasonably withheld. Any approval must be in writing and executed by an authorized representative of the City.
5. **Notices, Demands and Communications.** Formal notices, demands and communications between Owner and the City shall be sufficiently given and shall not be deemed given unless dispatched by mailing it first class mail or by certified mail, return receipt requested, to the principal offices of Owner and City as follows:

City of Chula Vista  
Redevelopment and Housing  
276 Fourth Avenue  
Chula Vista, CA 91910

New Owner: XXXXXXXXXXXXXXXXXXXX  
Address: XXXXXXXXXXXXXXXXXXXX  
Chula Vista, CA 9191X

Any such written communications by mail shall be conclusively deemed to have been received by the addressee five days after the deposit thereof in the United States Mail, postage prepaid and properly addressed as noted above.

6. **Severability.** Every provision of this Agreement is intended to be severable. If any provision of this Agreement shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired.
7. **Attorney's Fees.** In the event of any litigation over the performance of this Agreement, the prevailing party shall be entitled to attorney's fees and costs incurred during the course of litigation.

### UNIFORM COVENANTS

Borrower and Beneficiary covenant and agree as follows:

1. **Payment of Principal and Interest.** Borrower shall promptly pay when due the principal and interest indebtedness evidenced by the Note.

If payment of the indebtedness is required due to a Sale of the Property where the purchase price is equal to or less than the Acquisition Cost of the Property, assuming an open and competitive sale, then repayment shall be made in the following order and amount:

- (a) Outstanding principal and interest balance of the primary lender's loan;
- (b) Borrower's net down-payment investment and normal cost of sale (3% minus closing costs/fees);
- (c) Accrued simple interest on the principal amount of the Beneficiary's loan at the interest rate and the terms contained in the Promissory Note;
- (d) The principal amount of the Beneficiary's loan; and
- (e) Any remainder to borrower.

2. **Funds for Taxes and Insurance.** To protect the security of the Deed of Trust, Trustor agrees to pay, at least ten (10) days before delinquency, all taxes and assessments affecting said property; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; and all costs, fees and expenses of this Deed of Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary, without obligation to do so and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend

Initials \_\_\_\_\_

any action or proceeding purporting to affect the security hereof or the rights powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his/her reasonable fees.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Beneficiary under section 1 and 2 shall be applied; first, to any prepayment charges due under the Note; second, to amounts payable under section 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.
4. **Prior Mortgages and Deeds of Trust; Charges; Liens.** Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust, including Borrower's covenants to make payments when due. Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Deed of Trust, and leasehold payments or ground rents, if any.
5. **Hazard Insurance.** Borrower shall keep the improvement(s) now existing or hereinafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage", and such other hazards as Beneficiary may require and in such amounts and for such periods as Beneficiary may require.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Beneficiary; provided, that such approval will not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Beneficiary and shall include a standard mortgage clause in favor of and in a form acceptable to Beneficiary. Beneficiary has the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Beneficiary. Beneficiary may make proof of loss if not made promptly by Borrower.

If Property is abandoned by Borrower, or if Borrower fails to respond to Beneficiary within 30 days from the date notice is mailed by Beneficiary to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Beneficiary is authorized to collect and apply the insurance proceeds at Beneficiary's option either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

6. **Preservation and Maintenance of Property, Condominium, Cooperatives, Planned Unit Developments.** Borrower will keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall maintain property including the principle house, garage, and out buildings as well as lawn maintenance, and shall comply with the provisions of any lease if this Deed of Trust is on a leasehold. If this Deed of Trust is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants, conditions and restrictions, creating or governing the condominium, planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents.
7. **Protection of Beneficiary Security.** If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or if any action or proceeding is commenced which materially affects Beneficiary's interest in the Property, then Beneficiary, at Beneficiary's option, upon notice to Borrower, may make such appearances, disburse such sums including reasonable

Initials \_\_\_\_\_

attorneys' fees, and take such action as is necessary to protect Beneficiary's interest. If Beneficiary required mortgage insurance as a condition of making the loan secured by this Deed of Trust, Borrower shall pay the premiums required to maintain such insurance in effect until such time as the requirement for such insurance terminates in accordance with Borrower's and Beneficiary's written agreement or applicable law.

Any amounts disbursed by Beneficiary pursuant to this Paragraph, with interest thereon, at the original Note rate, will become additional indebtedness of Borrower secured by this Deed of Trust. Unless Borrower and Beneficiary agree to other terms of payment, such amounts will be payable upon notice from Beneficiary to Borrower requesting payment thereof. Nothing contained in this Paragraph will require Beneficiary to incur any expense or take any action hereunder.

8. **Inspection.** Beneficiary may make or cause to be made reasonable entries upon and inspections of the Property, provided that Beneficiary will give the Borrower notice prior to any such inspection specifying reasonable cause therefore related to Beneficiary's interest in the Property.
9. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Beneficiary subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.
10. **Borrower Not Released; Forbearance by Beneficiary Not a Waiver.** Extension of the time for payment or modification of payment of the sums secured by this Deed of Trust granted by Beneficiary to any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Beneficiary shall not be required to commence proceedings against such successor or to extend time for payment or otherwise modify payment of the sums secured by this Deed of Trust by reason of any demand made by the original Borrower and Borrower's successors in interest. Any forbearance by Beneficiary in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.
11. **Successors and Assigns Bound, Joint and Several Liability; Co-signers.** The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Beneficiary and Borrower, subject to the provisions of Paragraph 16 hereof. All covenants and agreements of Borrower shall be joint and several. Any Borrower who co-signs this Deed of Trust, but does not execute the Note:
  - (a) Is co-signing this Deed of Trust only to grant and convey that Borrower's interest in the Property to Trustee under the terms of this Deed of Trust,
  - (b) Is not personally liable on the Note or under this Deed of Trust, and
  - (c) Agrees that the Beneficiary and any other Borrower hereunder may agree to extend, modify, forbear, or make any other accommodations with regard to the terms of this Deed of Trust or the Note, without that Borrower's consent and without releasing that Borrower or modifying this Deed of Trust as to that Borrower's interest in the Property.

Initials \_\_\_\_\_

12. **Notice.** Except for any notice required under applicable law to be given in another manner, any notice to Borrower provided for in this Deed of Trust shall be given by delivering it or by mailing such notice by certified mail, addressed to Borrower at the Property address or such other address as Borrower may designate by notice to Beneficiary as provided herein, and
- (a) Any notice to Beneficiary will be given by certified mail, return receipt requested, to Beneficiary address stated herein or to such other address as Beneficiary may designate by notice to Borrower as provided herein.
  - (b) Any Notice provided for in this Deed of Trust shall be deemed to have been given to Borrower or Beneficiary when given in the manner designated herein.
13. **Governing Law, Severability.** The state and local laws applicable to this Deed of Trust shall be the laws of the jurisdiction in which the Property is located. The foregoing sentence shall not limit the applicability of Federal law to this Deed of Trust. In the event that any provision or clause of this Deed of Trust or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Deed of Trust and the Note are declared to be severable. As used herein, "costs", "expenses" and "attorneys' fees" include all sums to the extent not prohibited by applicable law or limited herein.
14. **Borrower's Copy.** Borrower shall be furnished a conformed copy of the Note and this Deed of Trust at the time of execution or after recordation hereof.
15. **NSP Agreement.** Borrower shall fulfill all of Borrower's other loan agreement(s) which Borrower enters into with the City, including, without limitation, the NSP agreement with the City.
16. **Rehabilitation Loan Agreement.** Borrower shall fulfill all of Borrower's obligations under any home rehabilitation, improvement, repair, or other loan agreement which Borrower enters into with Beneficiary. Beneficiary, at Beneficiary's option, may require Borrower to execute and deliver to Beneficiary, in a form acceptable to Beneficiary, an assignment of any rights, claims or defenses which Borrower may have against parties who supply labor, materials or services in connection with improvements made to the Property.
17. **Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold, rented, refinanced, conveyed or transferred (or if a beneficial interest in Borrower is sold, rented, refinanced, conveyed or transferred and Borrower is not a natural person), the "Equity", as hereafter defined, in the Property shall be shared between the Borrower and the Beneficiary on the following basis:

If, for example, the Property is sold, rented, refinanced, conveyed, or transferred within the first year the term of the Note secured by this Deed of Trust, Borrower shall receive zero percent (0%) of the Equity in the Property and the City shall receive one hundred percent (100%) of the Equity. "Equity" is defined as the dollar amount that constitutes the difference between the sales price of the Property and the sum of the following amounts:

- (a) principal on the First Note and the Deed of Trust; and
- (b) principal on this Second Note and Deed of Trust to the City of Chula Vista; and

Initials \_\_\_\_\_

- (c) all costs of sale, including costs of brokers' commissions, escrow fees, title costs and fees, recording costs, etc.; and
- (d) current year taxes, including all pro-rata real estate taxes calculated to the date of sale; and
- (e) borrower's down payment not including the loan from the City to Borrower; and
- (f) all principal paid down on the First Note and Deed of Trust; and
- (g) costs of any improvements to the Property, provided such improvements were approved by the City prior to construction and provided that such improvements have been documented to the satisfaction of the City.

The amount of the Borrower's share in the Equity of the Property shall increase by five percent (5%) per year, measured on the anniversary date of this Deed of Trust. Correspondingly, the City's share in the equity of the Property shall decrease by five percent (5%) per annum. For the sake of example, if the Property is sold more than ten (10) but less than eleven (11) years after the date of this Deed of Trust, the City would have a twenty five percent (25%) share in the Equity and the Borrower would have a seventy five percent (75%) share in the Equity of the Property.

In the event that no Equity exists at the time of transfer or sale, the NSP funds (item 1b above) will still be due and payable. In the event that a negative Equity situation exists, and the full amount of the NSP funds are not available to be recaptured, the amount of NSP funds required to be repaid to the City will be as set forth in 24 CFR 92.254(a)(ii)(A)(3). The formulas are as follows:

$$\frac{\text{NSP investment}}{\text{NSP investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{NSP amount to be recaptured}$$

$$\frac{\text{Homeowner investment}}{\text{NSP investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{amount to homeowner}$$

"NSP investment" is defined funds received pursuant to the NSP Program.

"Homeowner investment" is defined as the amount of down payment made by the owner.

Provided that Borrower is not in default under the terms of the Note and loan documents, the Note interest and interest in the equity of the Property shall be forgiven in its entirety and relinquished by the City fifteen (15) years from the date of the execution of the Note, with only principal due and payable upon transfer beyond year 15, as provided in Section 5 of the Note.

### NON-UNIFORM COVENANTS

Borrower and Beneficiary further covenant and agree as follows:

18. **Acceleration, Remedies.** Upon Borrower's breach of any covenant or agreement of Borrower in this Deed of Trust, including the covenants to pay when due any sums secured by this Deed of Trust, and those contained in paragraph 17 hereof, the Beneficiary, prior to acceleration, shall give notice to Borrower as provided in Paragraph 12 hereof specifying:

- (a) The breach;

Initials \_\_\_\_\_

- (b) The action required to cure such breach;
- (c) A date, not less than 10 days from the date the notice is mailed to Borrower, by which such breach must be cured; and
- (d) That failure to cure such breach on or before the date specified in the notice may result in acceleration of the sums secured by this Deed of Trust and sale of the Property.

The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the nonexistence of a default or any other defense of Borrower to acceleration of sale. If the breach is not cured on or before the date specified in the notice, Beneficiary, at Beneficiary's option, may declare all of the sums secured by this Deed of Trust to be immediately due and payable without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Beneficiary shall be entitled to collect all reasonable costs and expenses incurred in pursuing the remedies provided in this Paragraph 17, including, but not limited to, reasonable attorneys' fees.

If Beneficiary invokes power of sale, Beneficiary shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Beneficiary's election to cause the Property to be sold and shall cause such notice to be recorded in each county in which the Property or some part thereof is located. Beneficiary or Trustee shall mail copies of such notice in the manner prescribed by applicable law. Trustee shall give public notice of sale to the persons and in the manner prescribed by applicable law. After the lapse of such time as may be required by applicable law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in such order as Trustee may determine. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Beneficiary or Beneficiary's designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property so sold without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order:

- (a) To all reasonable costs and expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees and costs of title evidence;
- (b) To all sums secured by this Deed of Trust; and
- (c) The excess, if any, to the person or persons legally entitled thereto.

19. **Borrower's Right to Reinstate.** Notwithstanding Beneficiary's acceleration of the sums secured by this Deed of Trust due to Borrower's breach, Borrower shall have the right to have any proceedings begun by Beneficiary to enforce this Deed of Trust discontinued at any time prior to five days before sale of the Property pursuant to the power of sale contained in this Deed of Trust or at any time prior to entry of a judgment enforcing this Deed of Trust if:

- (a) Borrower pays Beneficiary all sums, which would be then due under this Deed of Trust, and the Note, had no acceleration occurred;

Initials \_\_\_\_\_

- (b) Borrower cures all breaches of any other covenants or agreements of Borrower contained in the Deed of Trust;
- (c) Borrower pays all reasonable expenses incurred by Beneficiary and Trustee in enforcing the covenants and agreements of Borrower contained in this Deed of Trust, and in enforcing Beneficiary's and Trustee's remedies as provided in Paragraph 18 hereof, including, but not limited to, reasonable attorneys' fees; and
- (d) Borrower takes such action as Beneficiary may reasonably require to assure that the lien of this Deed of Trust, Beneficiary's interest in the Property and Borrower's obligation to pay the sums secured by this Deed of Trust shall continue unimpaired.

Upon such payment and cure by Borrower, this Deed of Trust and the obligations secured hereby shall remain in full force and effect as if no acceleration had occurred.

20. **Assignment of Rents; Appointment of Receiver; Beneficiary in Possession.** As additional security hereunder, Borrower hereby assigns to Beneficiary the rents of the Property, provided that Borrower shall, prior to any default by Borrower in payment of any indebtedness secured hereby or in performance of any agreement hereunder, have the right to collect and retain such rents as they become due and payable.

Upon any such default, the Beneficiary, in person, by agent or by judicially appointed receiver, shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the property including those past due. All rents collected by Beneficiary or the receiver shall be applied first to payment of the cost of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Deed of Trust. Beneficiary and the receiver shall be liable to account only for those rents actually received. The entering upon and taking possession of said property and the collection of such rents and the application thereof as aforesaid shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

21. **Reconveyance.** Upon payment of all sums secured by this Deed of Trust, Beneficiary shall request Trustee to reconvey the Property and will surrender this Deed of Trust and all Notes evidencing indebtedness secured by this Deed of Trust to Trustee. Trustee shall reconvey the Property without warranty and without charge to the person or persons legally entitled thereto. Such person or persons shall pay all costs of recordation, if any.

22. **Substitute Trustee.** The Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time appoint a successor trustee to any Trustee appointed hereunder by an instrument executed and acknowledged by Beneficiary and recorded in the office of the Recorder of the county where the Property is located. The instrument shall contain the name of the original Lender, Trustee and Borrower, the book and page where this Instrument is recorded and the name and address of the successor trustee. The successor trustee shall, without conveyance of the Property, succeed to all the title, power and duties conferred upon the Trustee herein and by applicable law. This procedure for substitution of trustee shall govern to the exclusion of all other provisions for substitution.

23. **Request for Notices.** Borrower requests that copies of the Notice of Default and Notice of Sale be sent to Borrower's address, which is the Property Address. Beneficiary requests that copies of notices of foreclosure from the holder of any lien which has priority over this Deed of Trust be sent to Beneficiary's address, as set forth on Page One of this Deed of Trust as provided by Section 2924b of the Civil Code of California.
24. **Fee for Requested Statements.** The Beneficiary may charge a fee not to exceed Sixty Dollars (\$60.00) for furnishing the statement of obligation as provided in Section 2943 of the Civil Code of California.
25. **Deed of Trust Rider.** The Deed of Trust Rider executed by Borrower is attached and made part of this Deed of Trust.
26. **Covenants, Conditions and Restrictions.** The Property is subject to Covenants, Conditions and Restrictions ("Restrictions") between the Beneficiary and the Borrower, that are not attached hereto but are incorporated by reference. Borrower acknowledges receipt of said Restrictions and agrees for him/her self/ his/her heirs, successors and assigns to be bound by the same.
27. **Warranties of Borrower.** Borrower warrants to City that:
- (a) Borrower is a first-time homebuyer; that is, s/he has not owned a home, or had any ownership interest in a home within a three-year (3 year) period immediately preceding the date of this Deed of Trust, and
  - (b) That Borrower's annual gross income does not exceed eighty percent (80%) of the median income for the San Diego metropolitan area, as adjusted for family size, as said median income is determined by the U.S. Department of Housing and Urban Development (HUD), on the latter of:
    - 1. The date of initial application to the City; or
    - 2. The date of the recordation of this Deed of Trust.
  - (c) That for so long as Borrower owns the Property, Borrower will reside in the Property as Borrower's principal place of residence. Borrower agrees not to sublet, lease or rent out the Property during the term of this Deed of Trust.
28. **Subordination.** The Beneficiary and Borrower acknowledge and agree that this Deed of Trust is subject to and will subordinate in all respects to the liens, terms, covenants and conditions of the First Trust Deed and to all advances heretofore made or which may be hereafter be made pursuant to the First Trust Deed including all sums advanced for the purpose of:
- (a) Protecting or further securing the lien of the First Trust Deed, curing defaults by the Borrower under the First Trust Deed or for any other purpose expressly permitted by the First Trust Deed, and
  - (b) Constructing, renovating, repairing, furnishing, fixturing or equipping the Property.

The terms and provisions of the First Trust Deed are paramount and controlling, and they supersede any other terms and provisions hereof in conflict therewith. In the event of a foreclosure of deed in lieu of foreclosure of the First Trust Deed, any provisions herein or any

Initials \_\_\_\_\_

provision in any other collateral agreement restricting the use of the Property to low or moderate income households or otherwise restricting the Borrower's ability to sell the Property shall have no further force or effect on subsequent owners or purchasers of the Property. Any person, including his/her successors or assigns (other than the Borrower or a related entity of the Borrower), receiving title to the Property through a foreclosure or deed in lieu of foreclosure of the First Trust Deed shall receive title to the property free and clear from such restrictions.

Further, if the Primary Lender acquires title to the Property pursuant to a deed in lieu of foreclosure, the lien of this Deed of Trust shall automatically terminate upon the Primary Lender's acquisition of title, provided that:

- (a) The Beneficiary has been given written notice of a default under the First Trust Deed, and
- (b) The Beneficiary shall not have cured the default under the First Trust Deed, or diligently pursued curing the default as determined by the Primary Lender, within the 60-day period provided in such notice sent to the Beneficiary.

The Beneficiary and Borrower further acknowledge and agree that this Deed of Trust will only subordinate for a rate and term refinance of the First Trust Deed at the discretion of the Beneficiary and shall not be subject to subordination for a cash out refinance, equity line of credit or any other such form of refinance as deemed inappropriate by the Beneficiary.

29. **Funds for Taxes and Insurance.** The Beneficiary will waive collection of impounds for taxes and assessments (including condominium, planned unit development and planned residential development assessments, if any). Borrower will make all payments for impounds to First Trust Deed holder.

30. **Riders to this Security Instrument.** If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument.   - a) The rate equal to the interest rate of the senior trust deed or, in the event of no senior trust deed,
  - b) The prevailing rate of the Prime Rate as published in the Wall Street Journal, on the date of default.
3. **Payments and Term.** The term of this Note extends until the Borrower sells, rents, refinances, transfers or changes the title of the property designated on the accompanying Deed of Trust. No delay or omission on the part of the City shall operate as a waiver of such right of repayment or of any other right of this Note. The principal amount of this Note, together with

interest (if any) accruing thereon from the date hereof as set forth in Section 3, shall be due and payable on or before the date provided by the City in the Notice of Acceleration, which shall not be less than thirty (30) days, if all or any part of the Property or any interest in it is sold, rented, refinanced, conveyed, or transferred (or if a beneficial interest in Borrower is sold, rented, refinanced, conveyed, or transferred and Borrower is not a natural person) (herein called "Transfer) without the prior written consent of the City. The City shall not exercise this right of acceleration if prohibited by federal law as of the date of the Deed of Trust or in the City has executed a separate written waiver of this option. - (d) A transfer of the Property to a Borrower to an inter-vivos trust in which the Borrower is the sole beneficiary; and
- (e) A transfer by means of encumbering the Property with a lien that is a junior lien to the lien securing the loan to Borrower evidenced by the Deed of Trust.

In the event that Borrower chooses to prepay the Note, Borrower must notify Note Holder in writing. If the property is not for sale or in escrow at the time of such notification, no equity share will be due. Only the full amount of the principal will be due to the City. If the property is for sale or in escrow at the time of notification, the Note will be part of the escrow and Borrower will incur appropriate equity share as an obligation.
- 5. **Forgiveness of Interest and Relinquishment of Equity.** Provided that Borrower is not in default under the terms of this Note or Loan Documents, the Note interest shall be forgiven in its entirety and interest in the equity of the property shall be relinquished by the City fifteen (15) years from the date of the execution of the Note. Nothing contained in this paragraph 5 shall be construed as a promise by the City to forgive or relinquish the right to seek repayment of the principal of the Note.
- 6. **Default Under Deed of Trust.** Notwithstanding any other provisions of the Note, if default occurs in any of the covenants or agreements contained in the Deed of Trust securing this Note, this Note shall immediately become due and payable in full at the option of the City.
